CREATING AN INCLUSIVE ENVIRONMENT IS A SHARED RESPONSIBILITY

What does ACCESSIBILITY mean?

"Accessibility means a person with a disability is afforded the same opportunities [...] as a person without a disability in an equally effective and equally integrated manner."

- U.S. Department of Education Office of Civil Rights

HOW YOU CAN CONTRIBUTE

Educate Yourself: Learn about accessibility standards and best practices.

Provide Feedback: Share your experiences and suggestions to improve accessibility.

Advocate: Support initiatives and policies that promote inclusivity.

Utilize Resources: Make use of the available assistive technologies and support services.

Collaborate: Work with peers, faculty, and staff to foster an inclusive community.
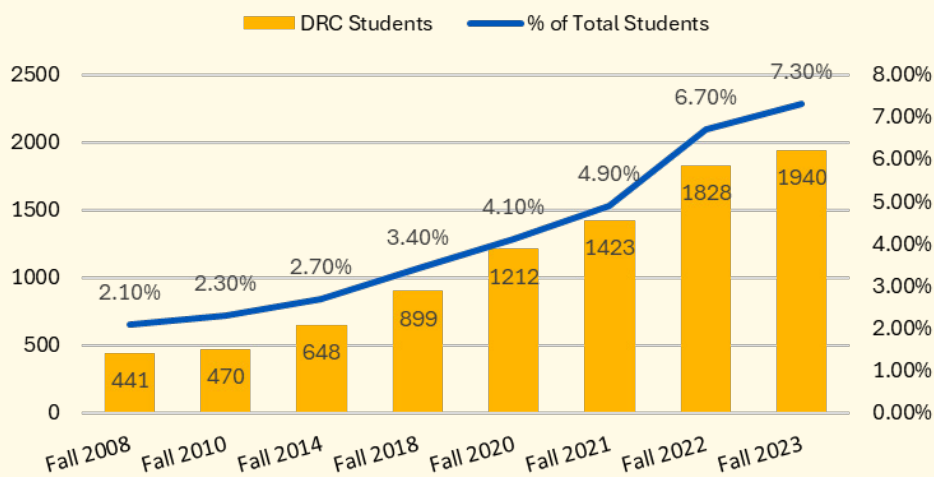

"Being able to utilize technology not only allowed me to function nearly at the same capacity as my peers, it gave me confidence as well.
