

# Symposium on Plant-Based Food and Nutrition: Innovations and Challenges

## Speaker **Dr. Darin Detwiler**

CEO of Detwiler Consulting Group

---

Dr. Darin Detwiler is a prominent food safety academic, advisor, advocate, and author. As the Founder and CEO of Detwiler Consulting Group, he has received numerous awards, underscoring his influential role in food safety. His 30+ year career, highlighted in the Emmy-nominated Netflix documentary *"Poisoned: The Dirty Truth about Your Food,"* includes significant contributions to food safety policies through his work with the USDA, FDA, and various NGOs. Dr. Detwiler is also a Professor at Northeastern University, with his work featured in multiple media outlets and publications, including his books *"Food Safety: Past, Present, and Predictions"* and *"Building the Future of Food Safety Technology"*. He has been honored with the International Association for Food Protection's 2022 Ewen C.D. Todd Control of Foodborne Illness Award and their 2018 Distinguished Service Award for his exceptional contributions to reducing foodborne illness risks.
