

Symposium on Plant-Based Food and Nutrition: Innovations and Challenges

Speaker Dr. Lara Ramdin

Chief Innovation & Science Officer,
Upcycled Foods Inc.

Dr. Lara Ramdin is the Chief Innovation & Science Officer at Upcycled Foods Inc., where she leads initiatives to transform food systems by integrating upcycling practices and promoting food dignity. She converts undervalued by-products into nutrient-rich ingredients, reducing food waste and enhancing food security. Her work supports environmental sustainability, advances the food-as-medicine movement, and focuses on accessible, health-promoting foods. Positioned at the intersection of science, sustainability, and social impact, Dr. Ramdin is recognized as a leader in creating innovative food solutions that benefit both people and the planet.
