3PM**

Resource Fair & Swag Pickup

Join us at the Resource Fair to explore the wide range of support services and opportunities available at CPP! Representatives from academic departments, student organizations, campus resources, and support services will be on hand to answer your questions, provide valuable information, and help you make the most of your CPP experience. Whether you're looking to learn about majors, student life, financial aid, or career development, the Resource Fair is your one-stop destination! Don't miss the chance to connect with our vibrant campus community.

Location: University Quad

Admitted Transfer Lounge

This space is designed exclusively for admitted transfer students to connect with fellow transfers and learn about the resources and support services available to you as you transition to CPP. Meet your peers, hear from current transfer students, and get valuable insights into navigating your academic journey, campus life, and student services. This is your opportunity to ask questions, build connections, and start your CPP experience with confidence!

Location: Bronco Student Center, Lyra Room

Next Steps Center

The Next Steps Center is your go-to destination for navigating the next steps of your journey to becoming a Bronco! We offer personalized support with application workshops, assistance in accepting your offer for Spring 2025 transfer admits, and financial aid guidance tailored for admitted transfer students. Whether you need help completing your application or understanding your financial aid options, we're here to ensure a smooth transition into CPP. Let us help you take the next step towards your future!

Location: Library, Second Floor

**10AM -
2PM**

Take the opportunity to explore what your academic college has to offer! Each of our eight academic colleges will be showcasing their programs, resources, and opportunities designed to support your academic and career goals. Meet faculty, current students, and staff who will guide you through specialized majors and exciting hands-on learning experiences. Whether you're already committed to a major or still exploring your options, this is your chance to get an in-depth look at the resources and support available at each college. Be sure to stop by and see what makes each college at CPP unique!

College of Business Administration

Explore the dynamic world of business at College of Business Administration (CBA). Known for its "become by doing" philosophy, CBA provides students with hands-on experience in areas such as marketing, finance, management, and entrepreneurship. Meet our accomplished faculty and students, tour our state-of-the-art facilities, and learn how our programs can help you develop the leadership and analytical skills needed for today's fast-paced business world. Discover how CBA connects you to internships and networking opportunities to support your career journey.

College of Engineering

Join us at the College of Engineering to experience one of the top-ranked engineering programs in the nation. Learn how our "become by doing" philosophy prepares students to tackle real-world challenges through hands-on projects, cutting-edge labs, and internships. Meet with faculty, current students, and advisors who will introduce you to our diverse range of engineering disciplines. Whether you're interested in Aerospace, Civil, Mechanical, Electrical, or Computer Engineering, this is your opportunity to explore our programs and see how we empower future innovators and leaders in the field.

Majors:

- Aerospace Engineering, B.S.
- Chemical Engineering, B.S.
- Civil Engineering, B.S.
- Computer Engineering, B.S.
- Construction Engineering, B.S.
- Electrical Engineering, B.S.
- Electromechanical Systems Engineering Technology, B.S.
- Electronic Systems Engineering Technology, B.S.
- Industrial Engineering, B.S.
- Manufacturing Engineering, B.S.
- Mechanical Engineering, B.S.

Location: College of Engineering

**10AM -
2PM**

College of Environmental Design

Discover how we shape the spaces we inhabit and enhance our surroundings! Our college offers innovative programs in Architecture, Landscape Architecture, and Urban and Regional Planning. You'll have the opportunity to meet faculty and current students who are passionate about sustainable design and creative problem-solving. Explore our state-of-the-art facilities and learn how our hands-on approach equips you with the skills needed to make a positive impact in your community. Don't miss this chance to envision your future in environmental design!

Majors:

- Architecture, B. Arch.
- Art History, B.A.
- Landscape Architecture, B.S.
- Urban & Regional Planning, B.S.
- Visual Communication Design, B.F.A.

Location: College of Environmental Design

College of Science

Unlock the mysteries of the universe at the College of Science! Join us to discover the dynamic fields of Biology, Chemistry, Mathematics, Physics, and more. Our dedicated faculty are committed to providing hands-on learning experiences that prepare you for successful careers in science, technology, engineering, and mathematics (STEM). Engage and learn how our programs foster critical thinking and innovation. Whether you're passionate about the life sciences, eager to delve into the physical sciences, or interested in mathematical modeling, the College of Science offers a supportive community where you can thrive. Come and see how we can help you turn your scientific aspirations into reality!

Majors:

- Biology, B.S.
- Biotechnology, B.S.
- Chemistry, B.S.
- Computer Science, B.S.
- Environmental Biology, B.S.
- Geology, B.S.
- Kinesiology, B.S.
- Mathematics, B.S.
- Physics, B.S.

Location: College of Science

**10AM -
2PM**
