

# California State Polytechnic University, Pomona

## Campus Master Plan Update

### Community Partners Kick-off

5 June 2018

# AGENDA

## Community Partners Master Plan meeting

**Introductions + President's Welcome**

**Charting Our Future – Strategic, Academic, Master Plan**

**Campus Today**

**Master Planning Process + Timeline**

**Themes + Principles**

**Open to Discussion, Q + A**

**5 June 2018**

# Charting our Future

## Physical Master Plan

*physical, technical, implementation-oriented;  
steered by committees toward consensus;  
map + reports to guide implementation*

## Strategic Master Plan

*high level, broad, capacity-oriented;  
leadership drives toward consensus;  
narrative, diagrammatic*

**ENGAGING**

**INNOVATING**

**PARTNERING**

**SYNERGY**

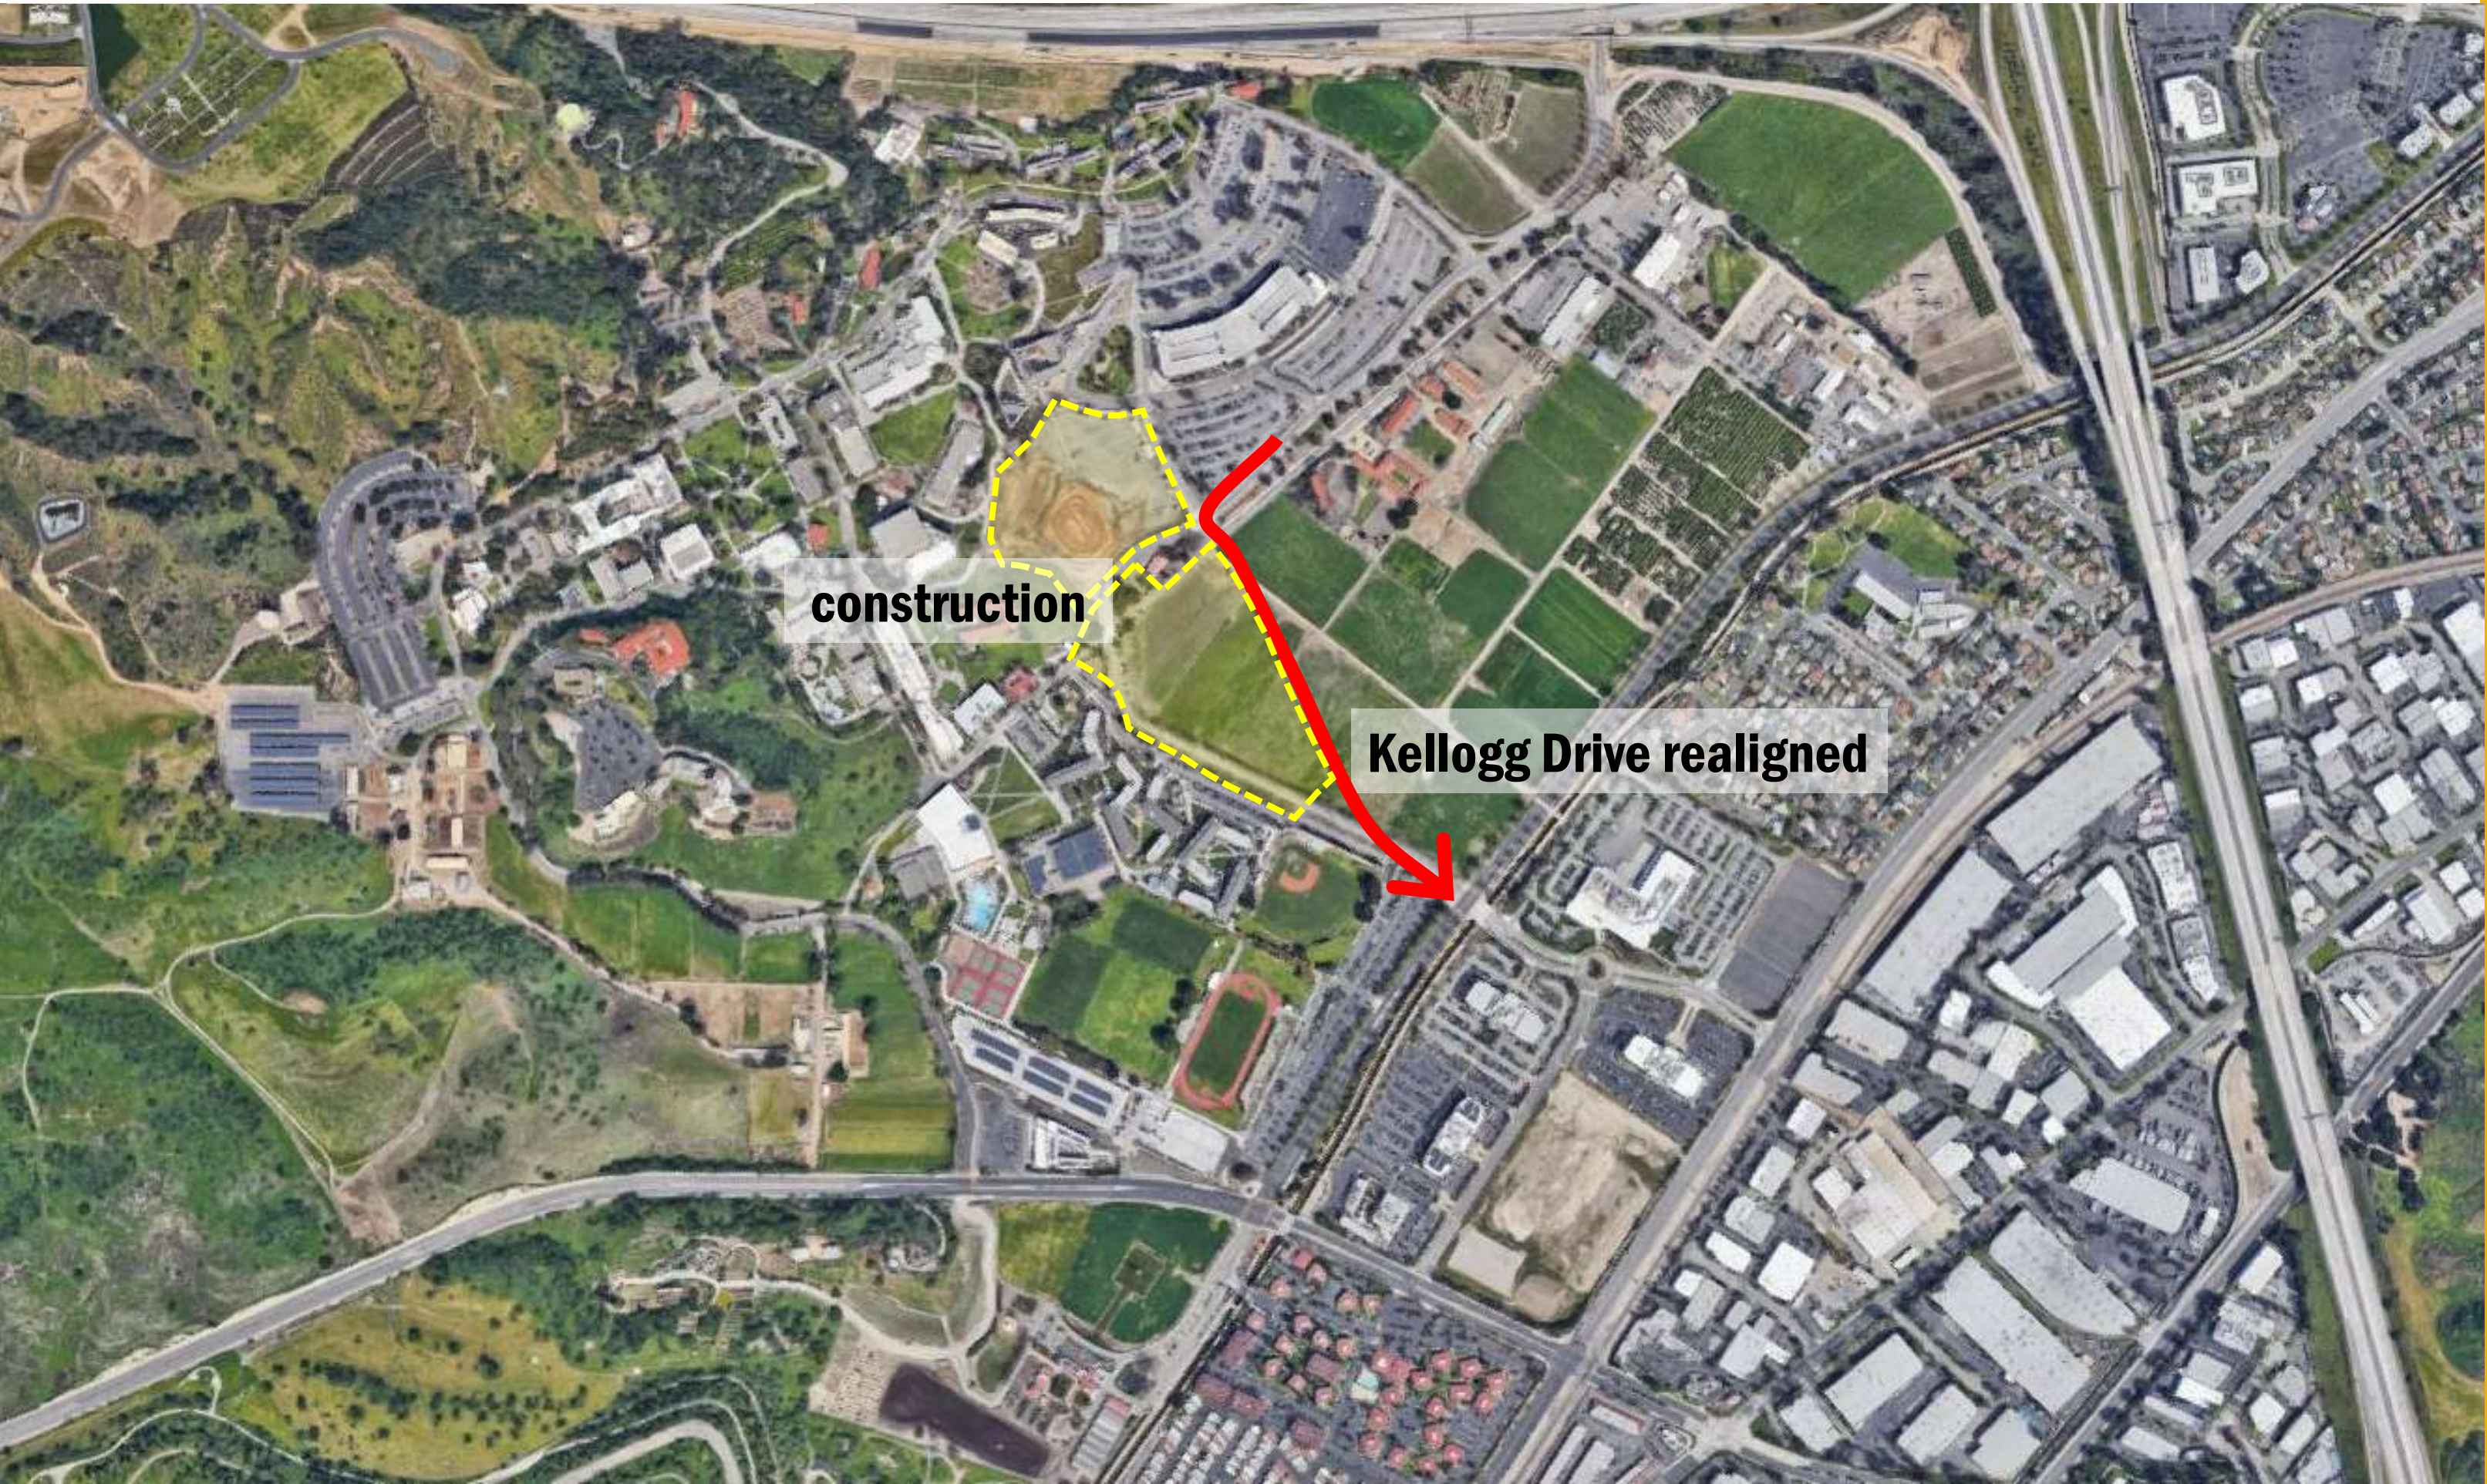

## Academic Plan

*implementing strategic plan,  
new academic initiatives with  
action plans and programs  
student-faculty centric*

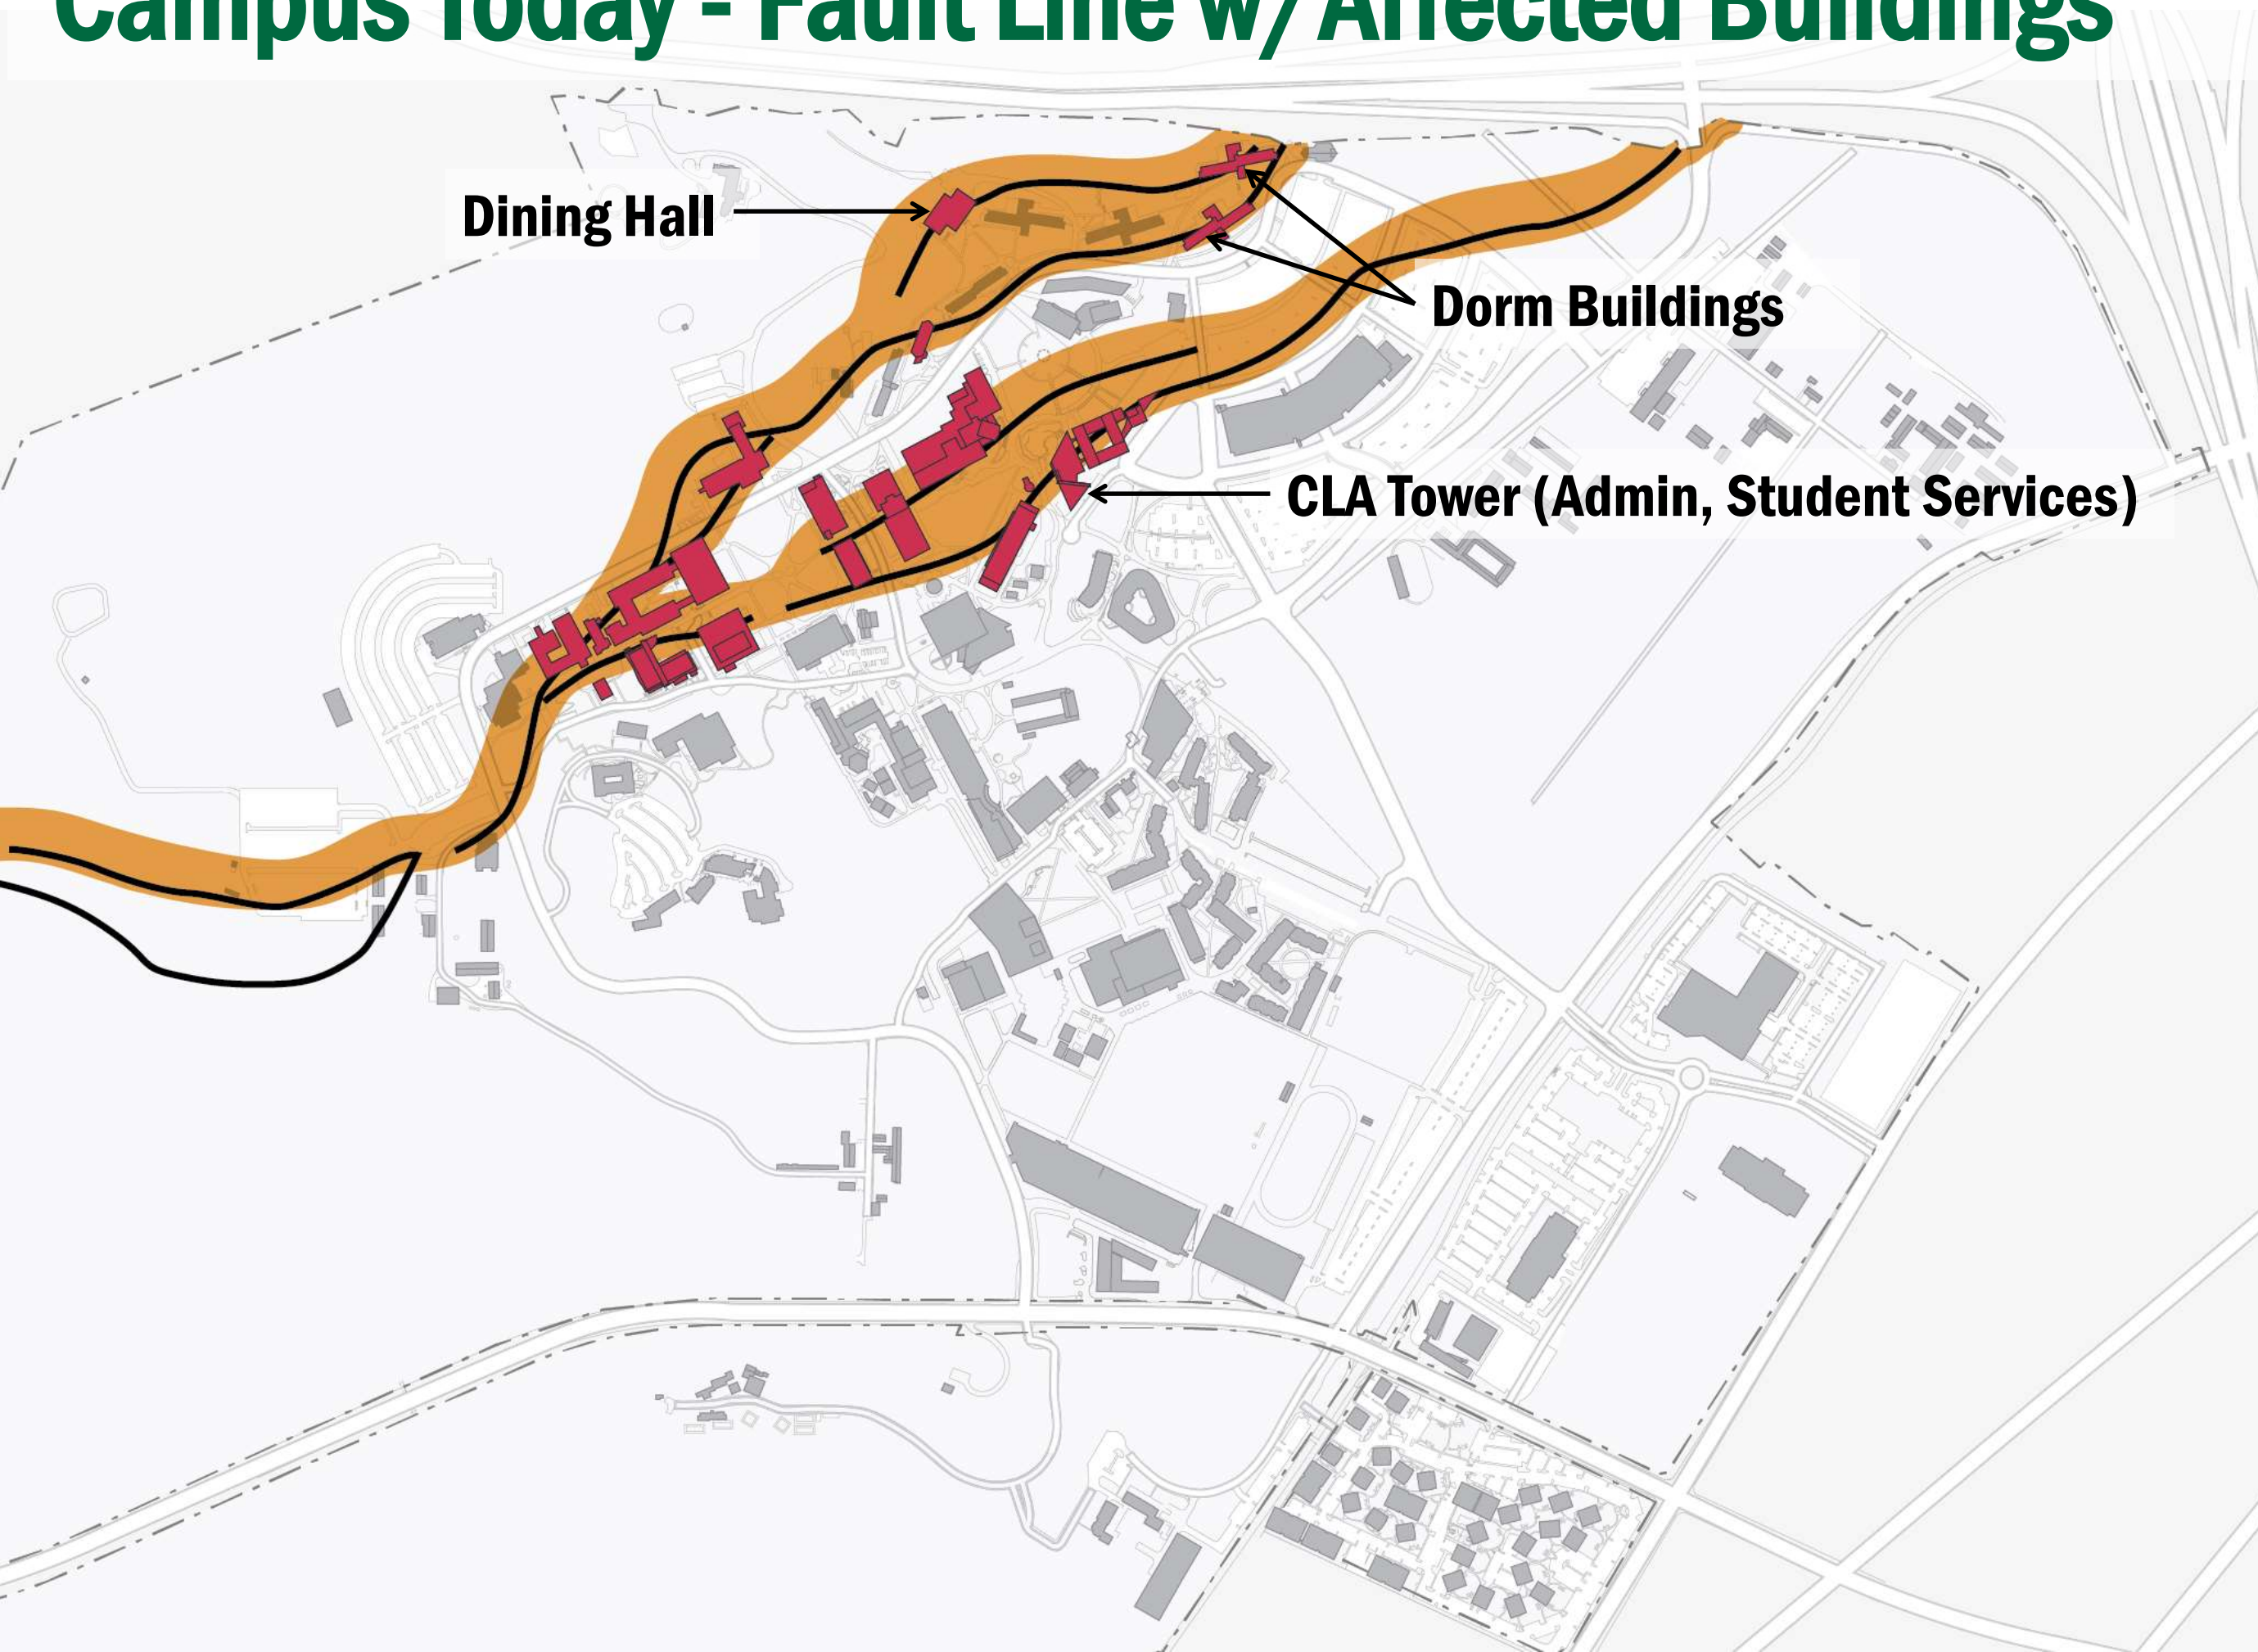

# Campus Today

**construction**

**Kellogg Drive realigned**

# Campus Today - Fault Line w/Affected Buildings

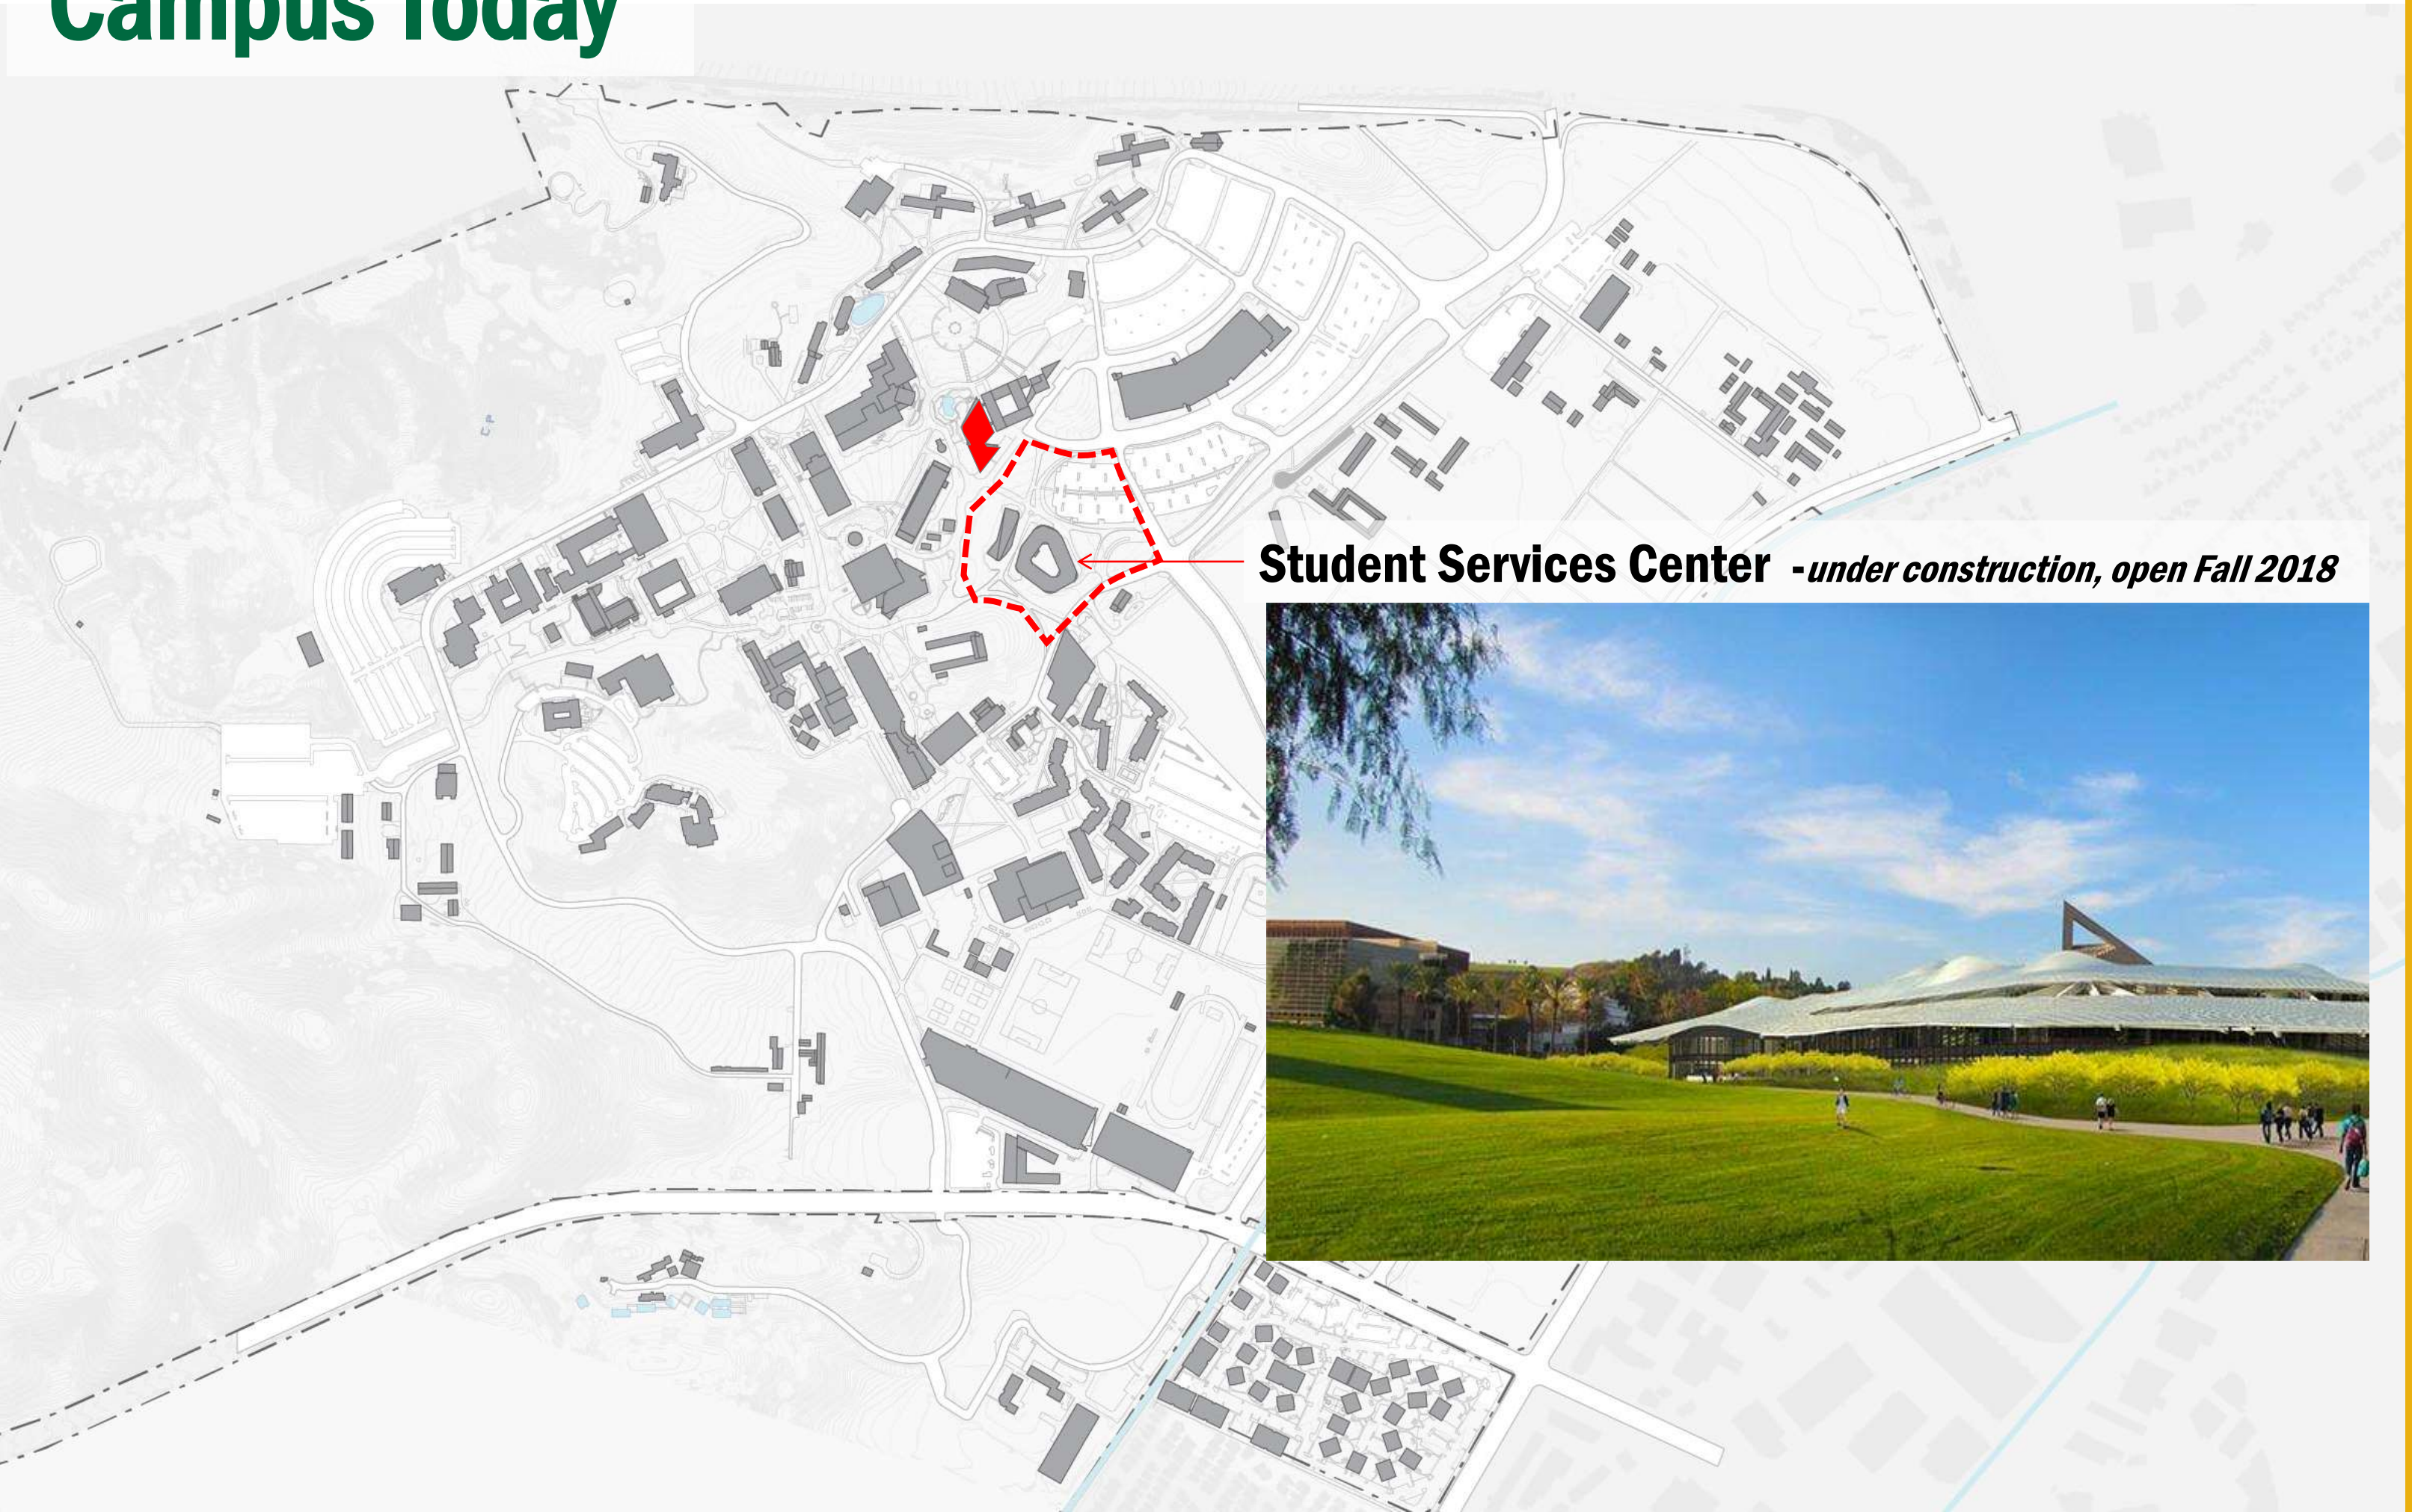

**Dining Hall**

**Dorm Buildings**

**CLA Tower (Admin, Student Services)**

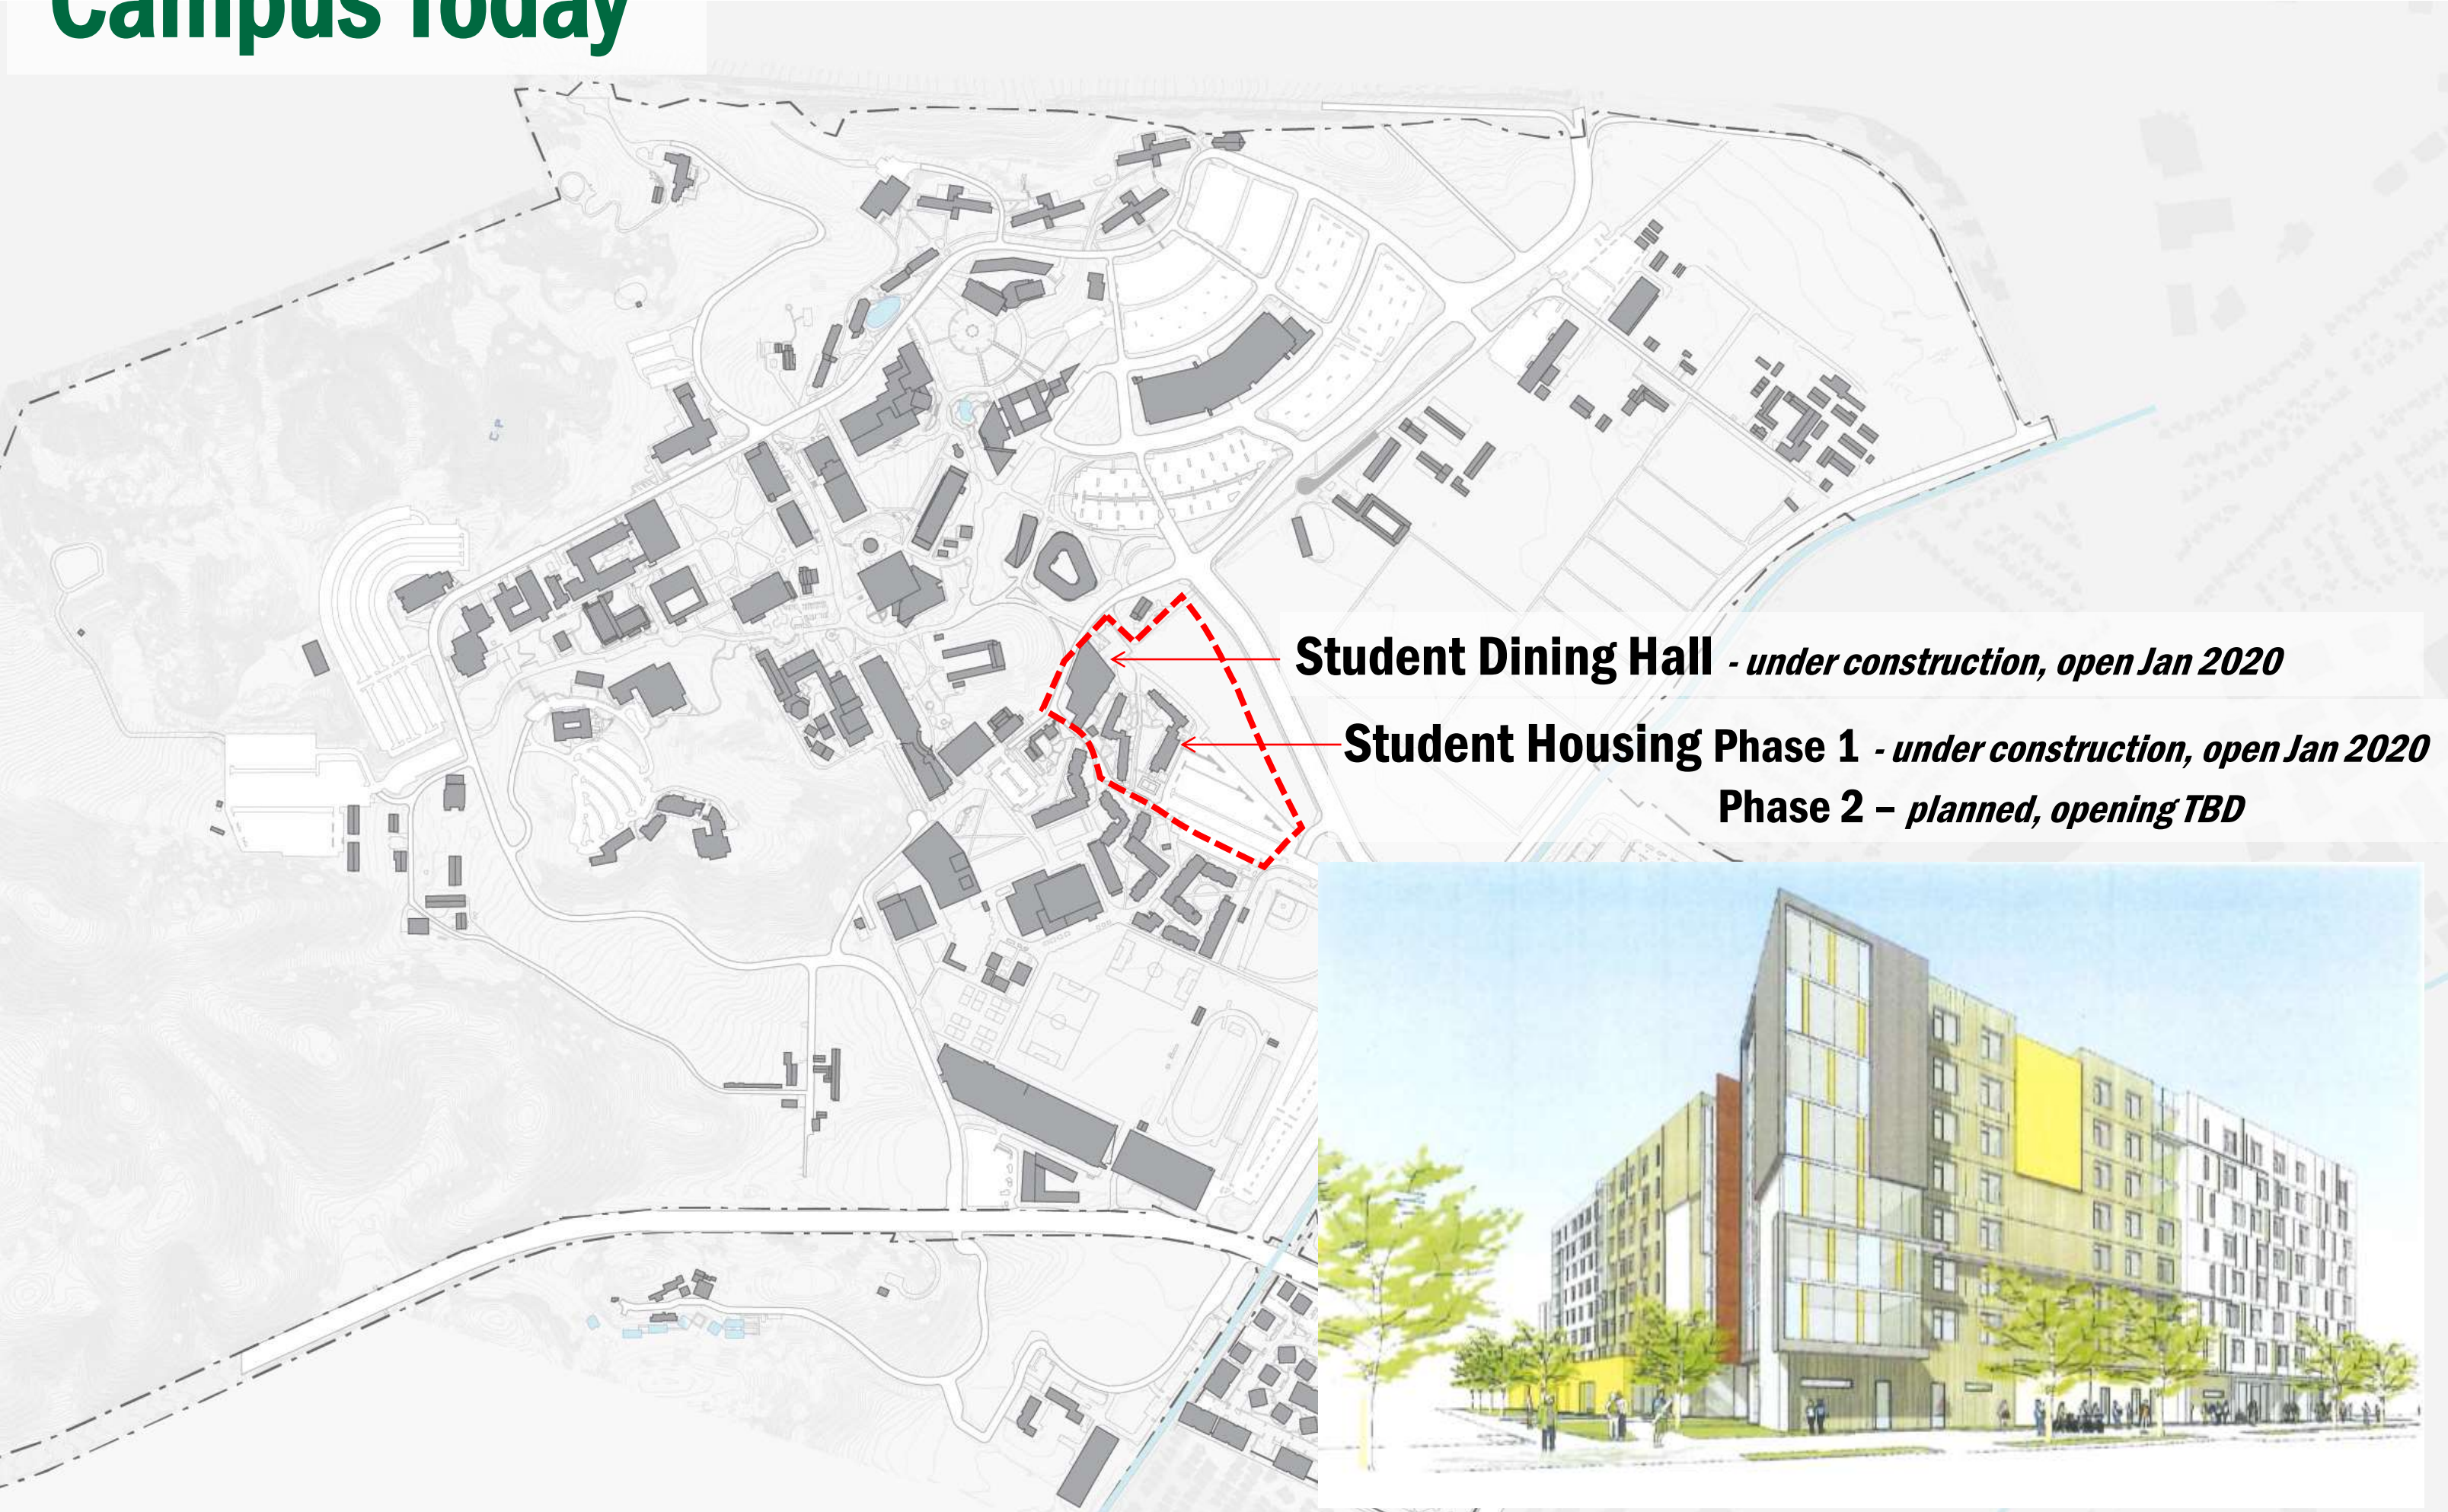

# Campus Today

**Student Services Center** - *under construction, open Fall 2018*

# Campus Today

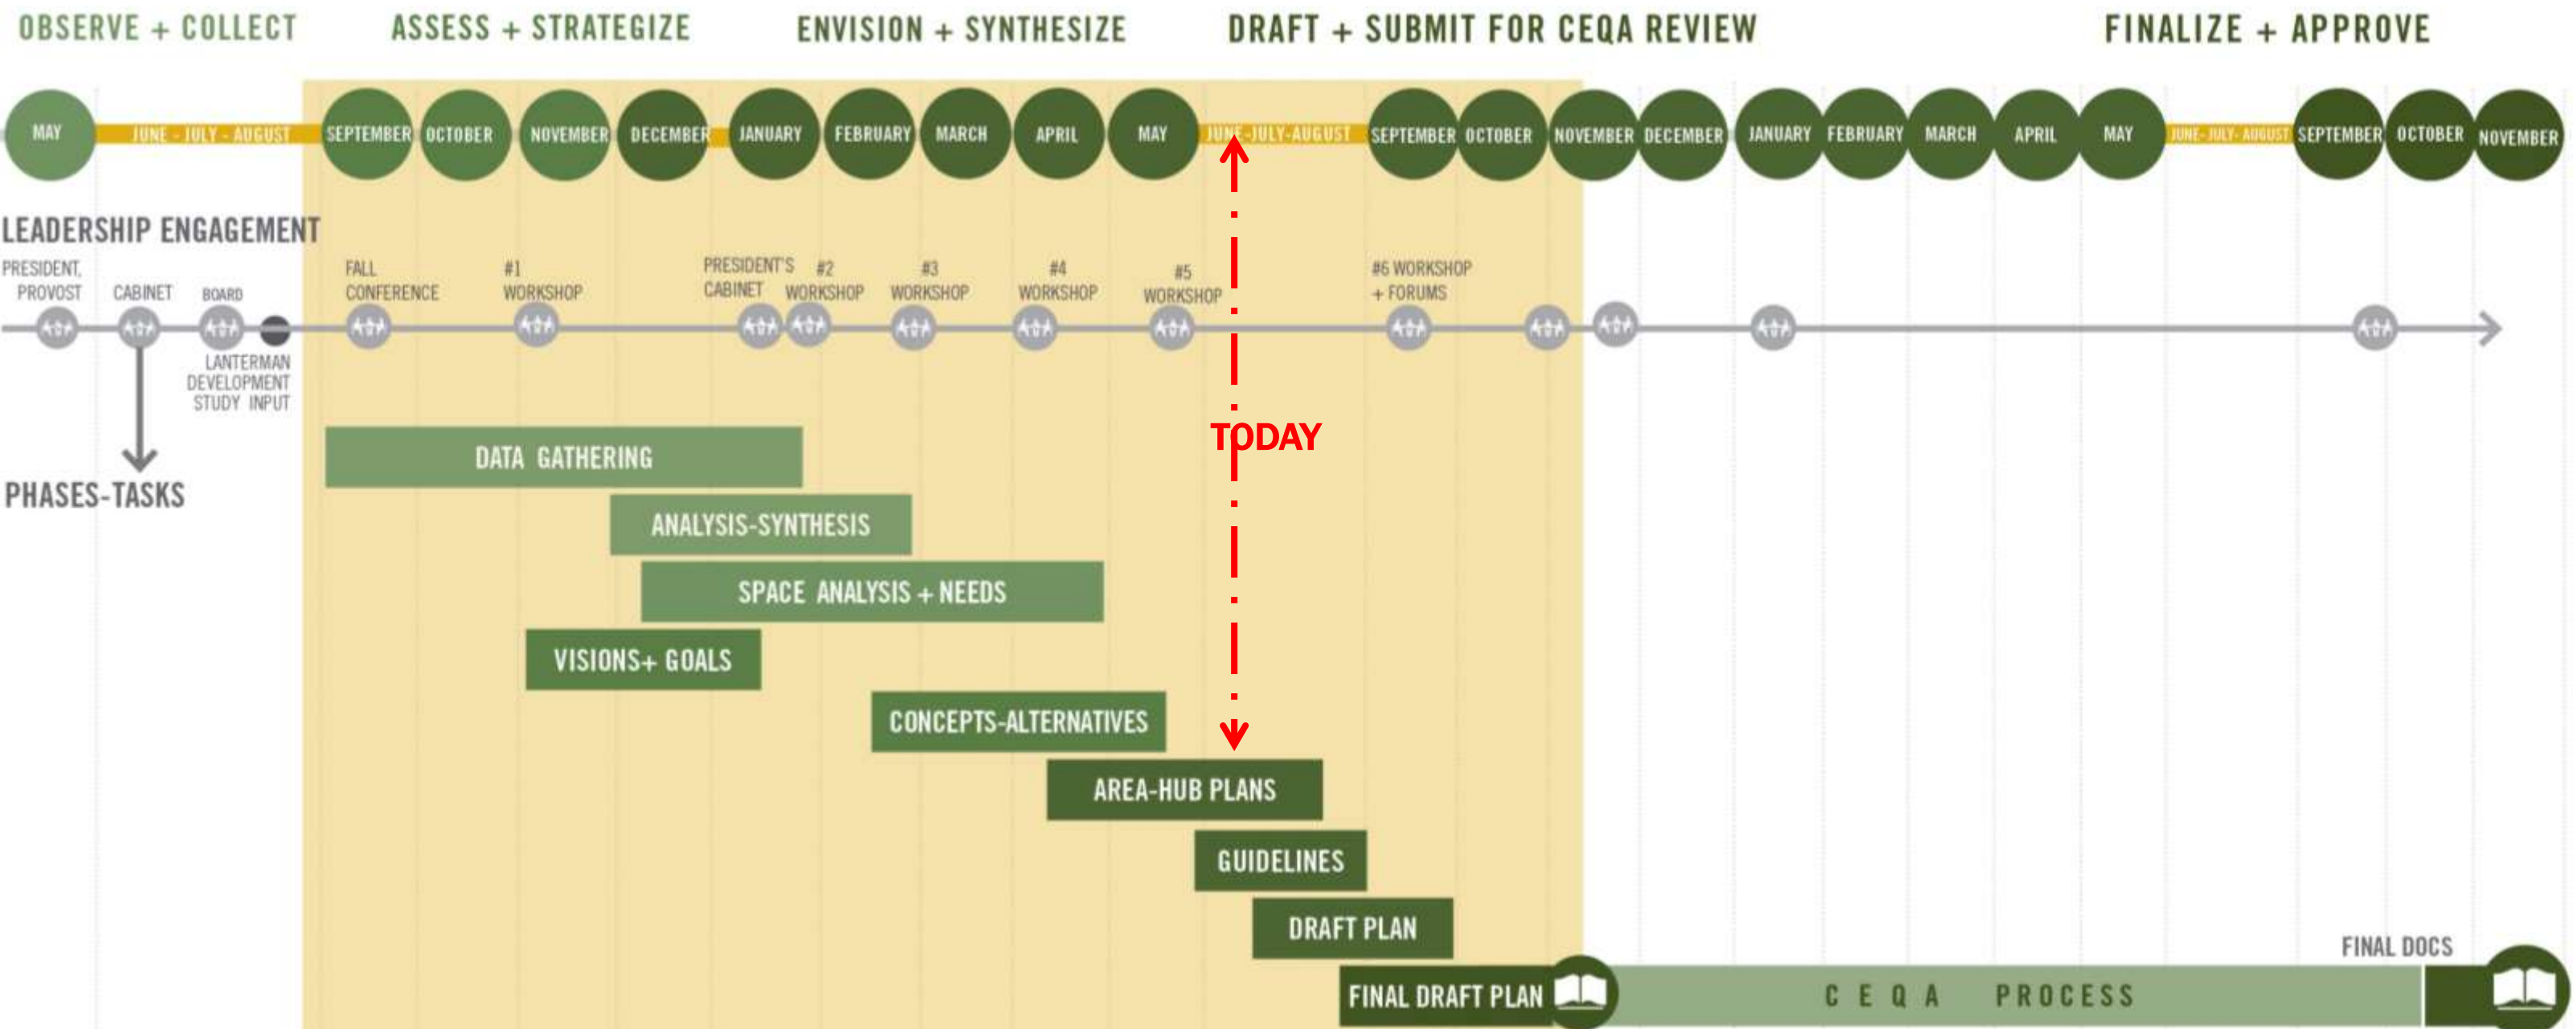

**Student Dining Hall** - *under construction, open Jan 2020*

**Student Housing Phase 1** - *under construction, open Jan 2020*  
**Phase 2** - *planned, opening TBD*

# Process:

# Planning Timeline – Fall 2017 thru Fall 2018

**Campus Master Planning**

**CEQA Review Process**

# Process:

# Participatory, Inclusive, Mission Driven

## Workshop-Based

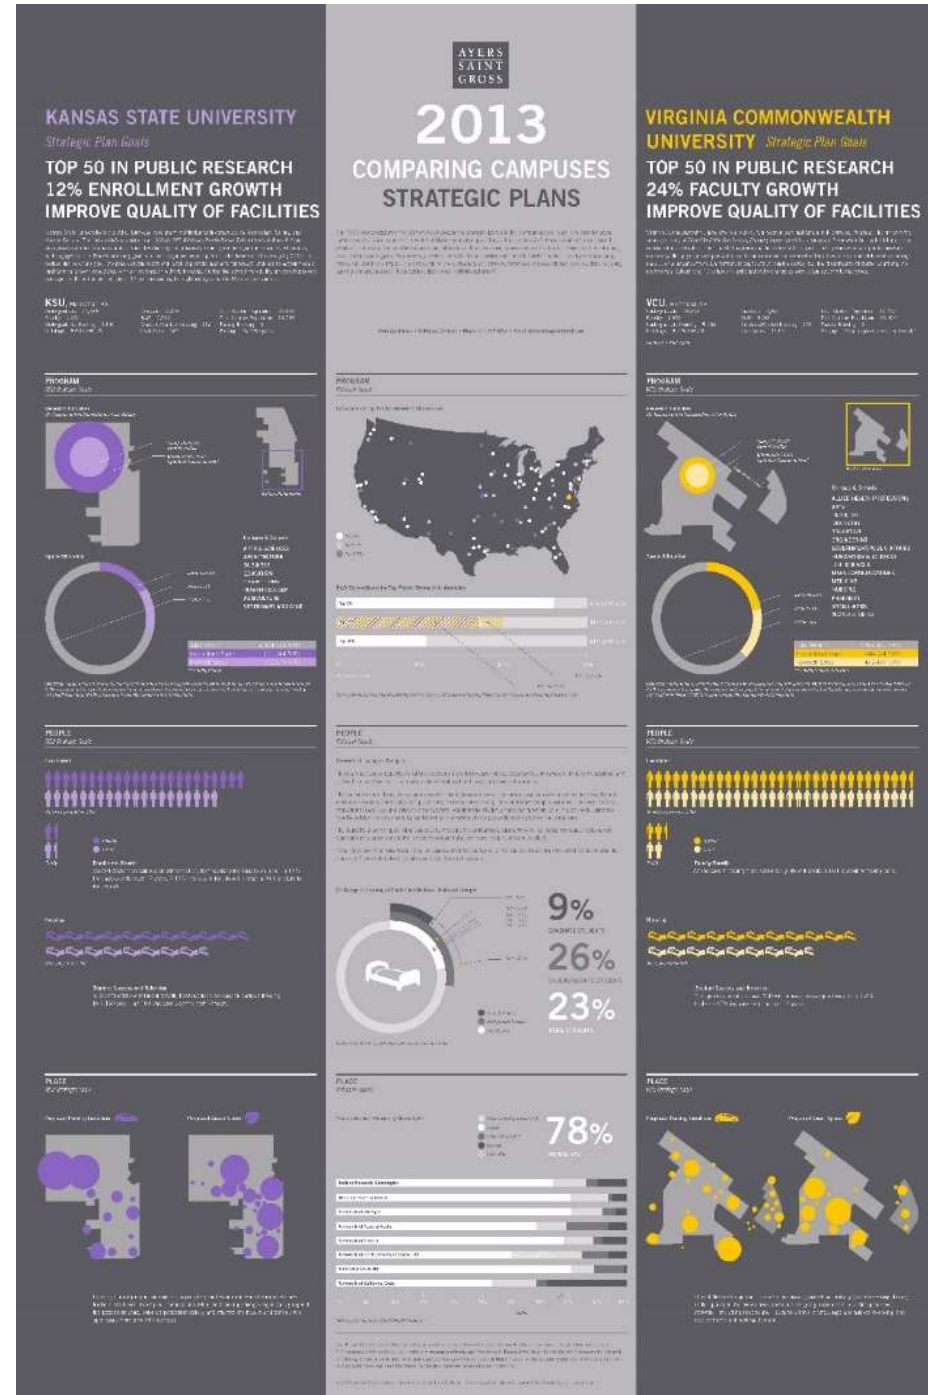

Process structure around intensive campus engagement

## Research-Informed

Active research on higher education trends since 1998

## Scenario-Tested

Campus Capacities explored via multiple development scenarios

# Process:

# Typical Steps in the Planning Process

Project Kick-Off

Observations & Analysis

Concept Plans/Alternatives

Small Area Studies / Alternates

Draft Plan + Phasing

Final Plan & Reports

The screenshot shows the main page of the Cal Poly Pomona Campus Master Plan 2018 website. The browser address bar shows the URL: <https://www.cpp.edu/~fpm/planning-design-construction/master-plan-2018/index.shtml>. The page features a navigation menu on the left with links for Committee, Stakeholder Meetings, Open Workshops, and Contact. The main content area is titled "Planning our Future" and includes a large video player showing a group of people working on a site. Below the video, there is a "Campus Master Plan Process" section with text explaining the university's goals and a "Master Plan" section with links to the Master Plan (PDF) and MAP. The footer contains various utility links like Contact Us, Accessibility, and Privacy, along with social media icons.

This screenshot displays the "Workshop Archives" page. The browser address bar shows the URL: <https://www.cpp.edu/~fpm/planning-design-construction/master-plan-2018/OpenWorkshops/workshops-archives.shtml>. The page lists several workshop events, including a Master Plan Kickoff (Fall Conference) on September 16, 2017, and various workshops in November 2017 and February 2018. Each entry includes a date, a title, and a link to the workshop materials.

This screenshot shows the "Advisory Committee Meetings" page. The browser address bar shows the URL: <https://www.cpp.edu/~fpm/planning-design-construction/master-plan-2018/AdvisoryCommitteeMeetings.shtml>. The page details two meetings: one on November 6, 2017, and another on January 23, 2018. Each meeting entry provides the date, time, location, and a brief description of the meeting's purpose and agenda.

## CPP Web site is updated to document input, exercises and workshops

<https://www.cpp.edu/~fpm/planning-design-construction/master-plan-2018>

## Exercise:

# Synthesis of Stakeholder Input

### Campus love... ●

- university quad, open space, plazas
- views, natural areas, courtyards
- special places: Japanese Garden, gardens, Kellogg Arabian Center, Lyle Center, Ag Valley Drive and agricultural fields, orchards
- sustainable campus

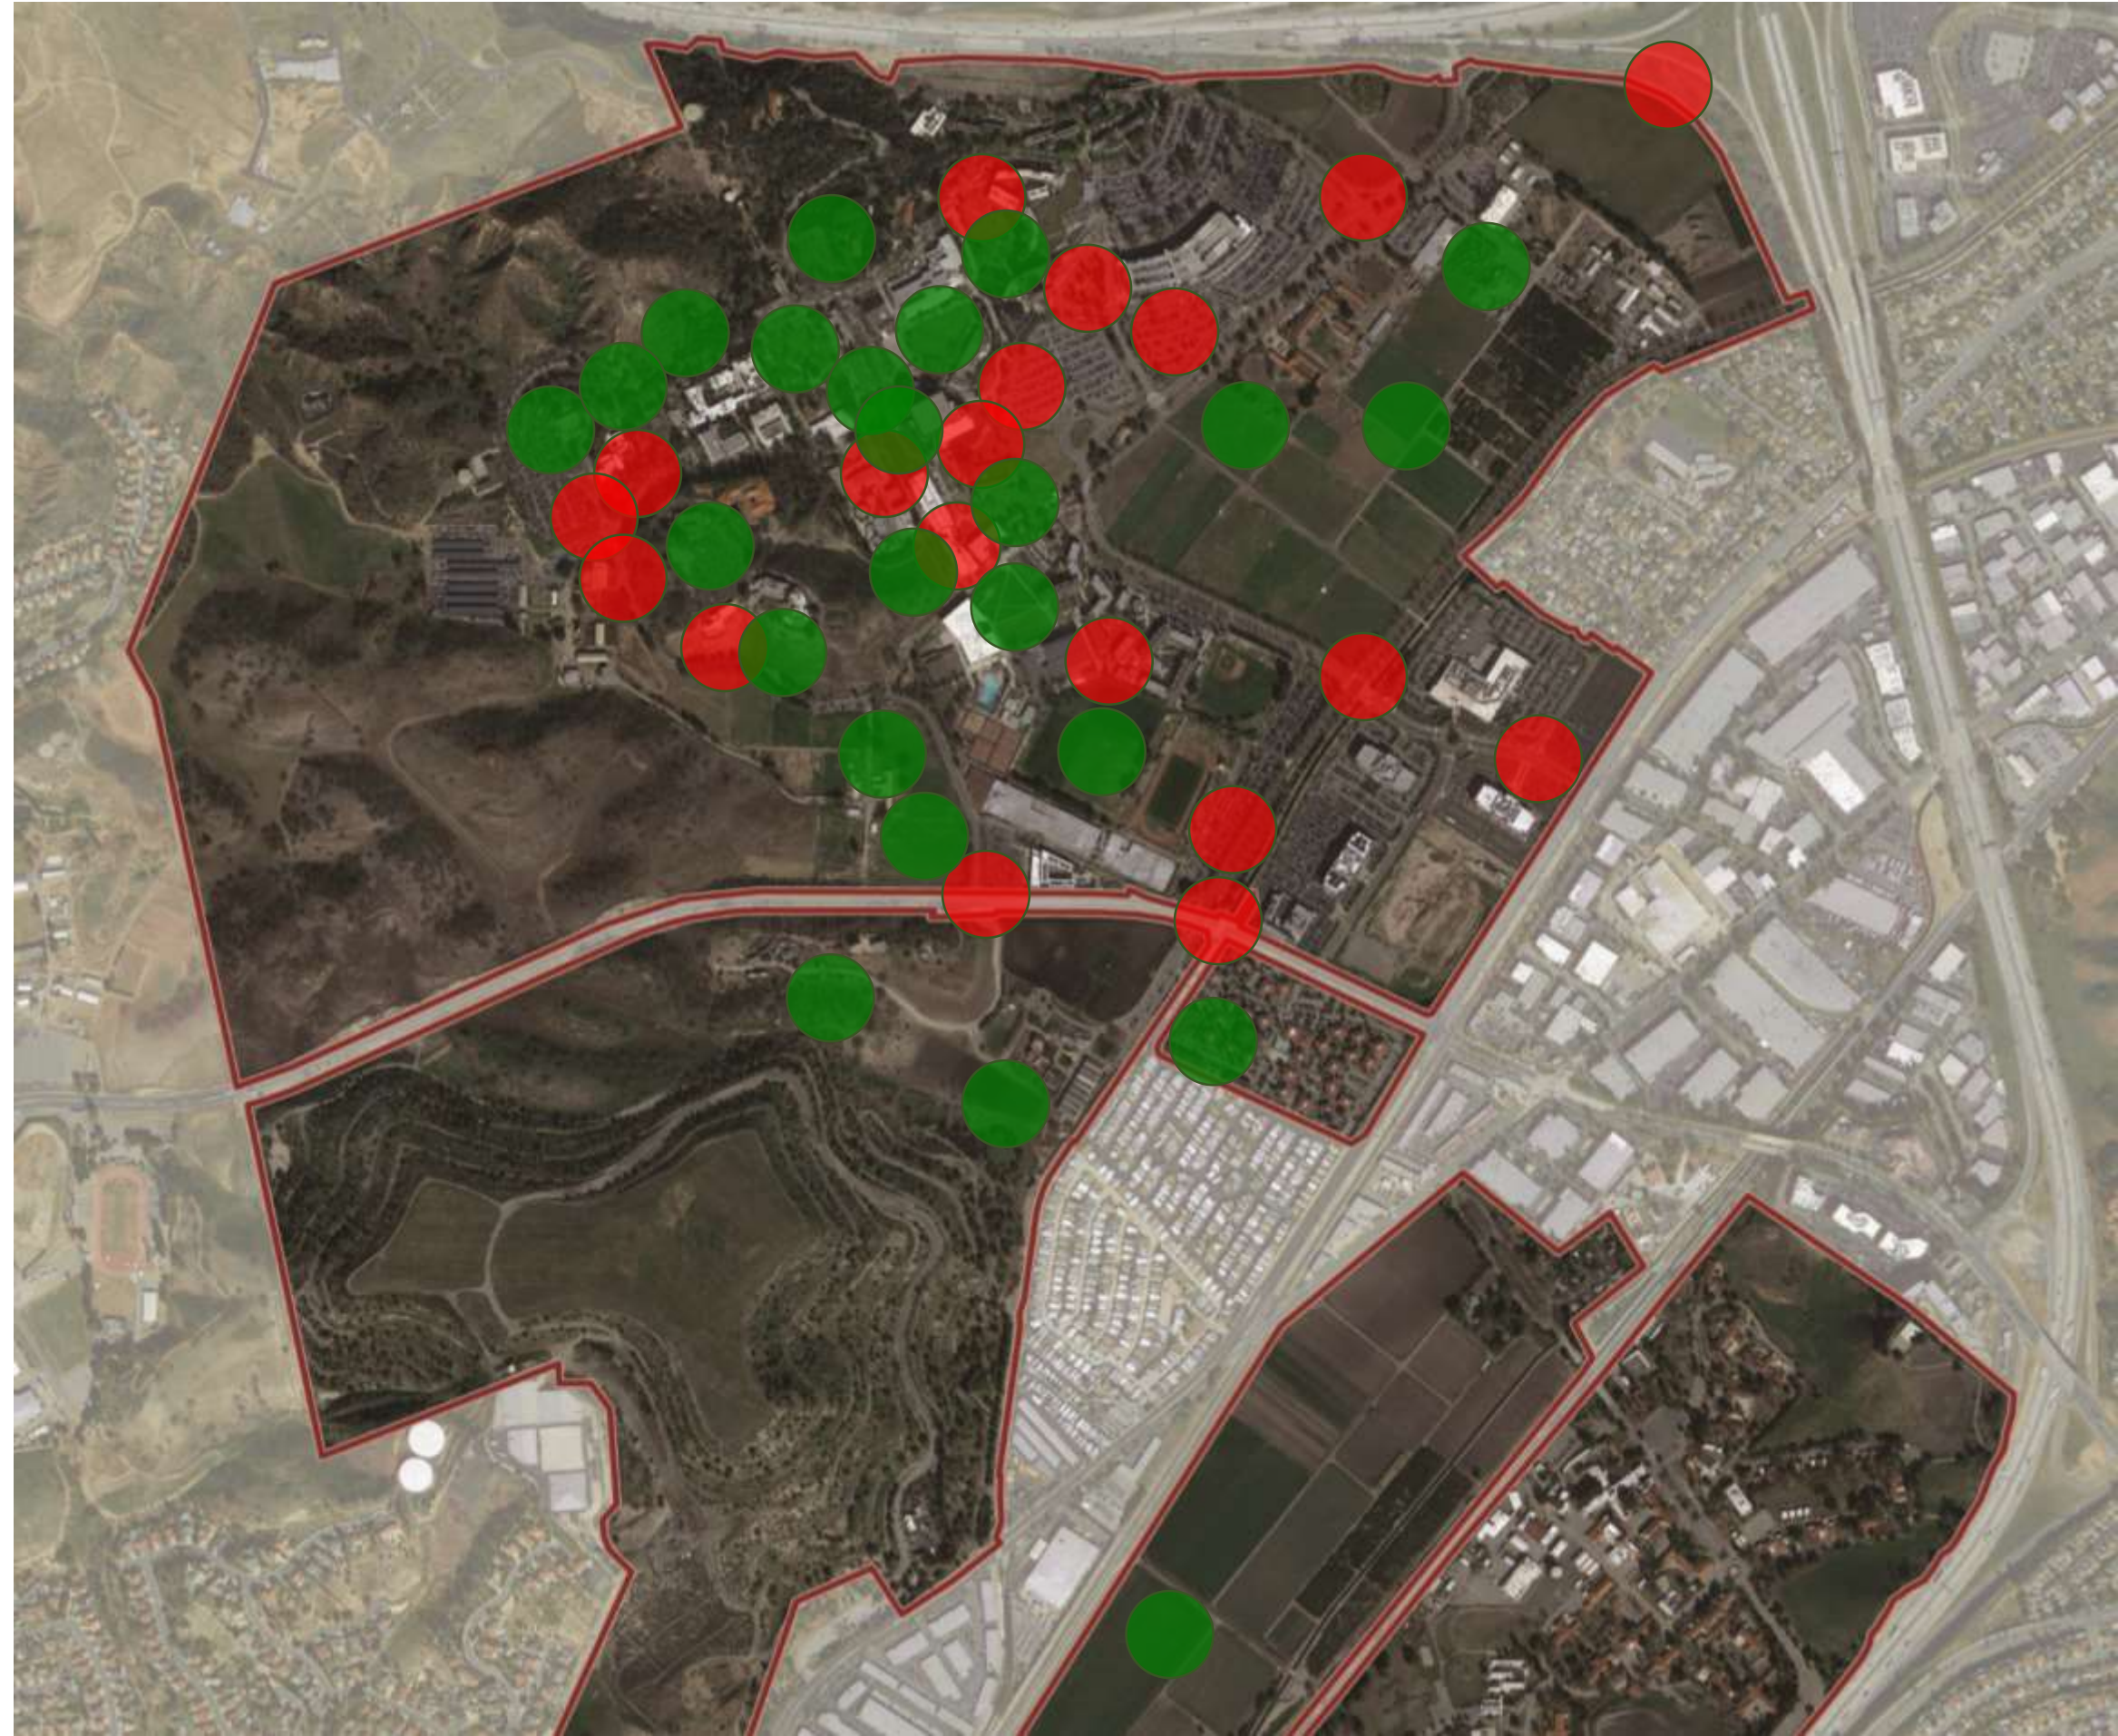

### Improve.... ●

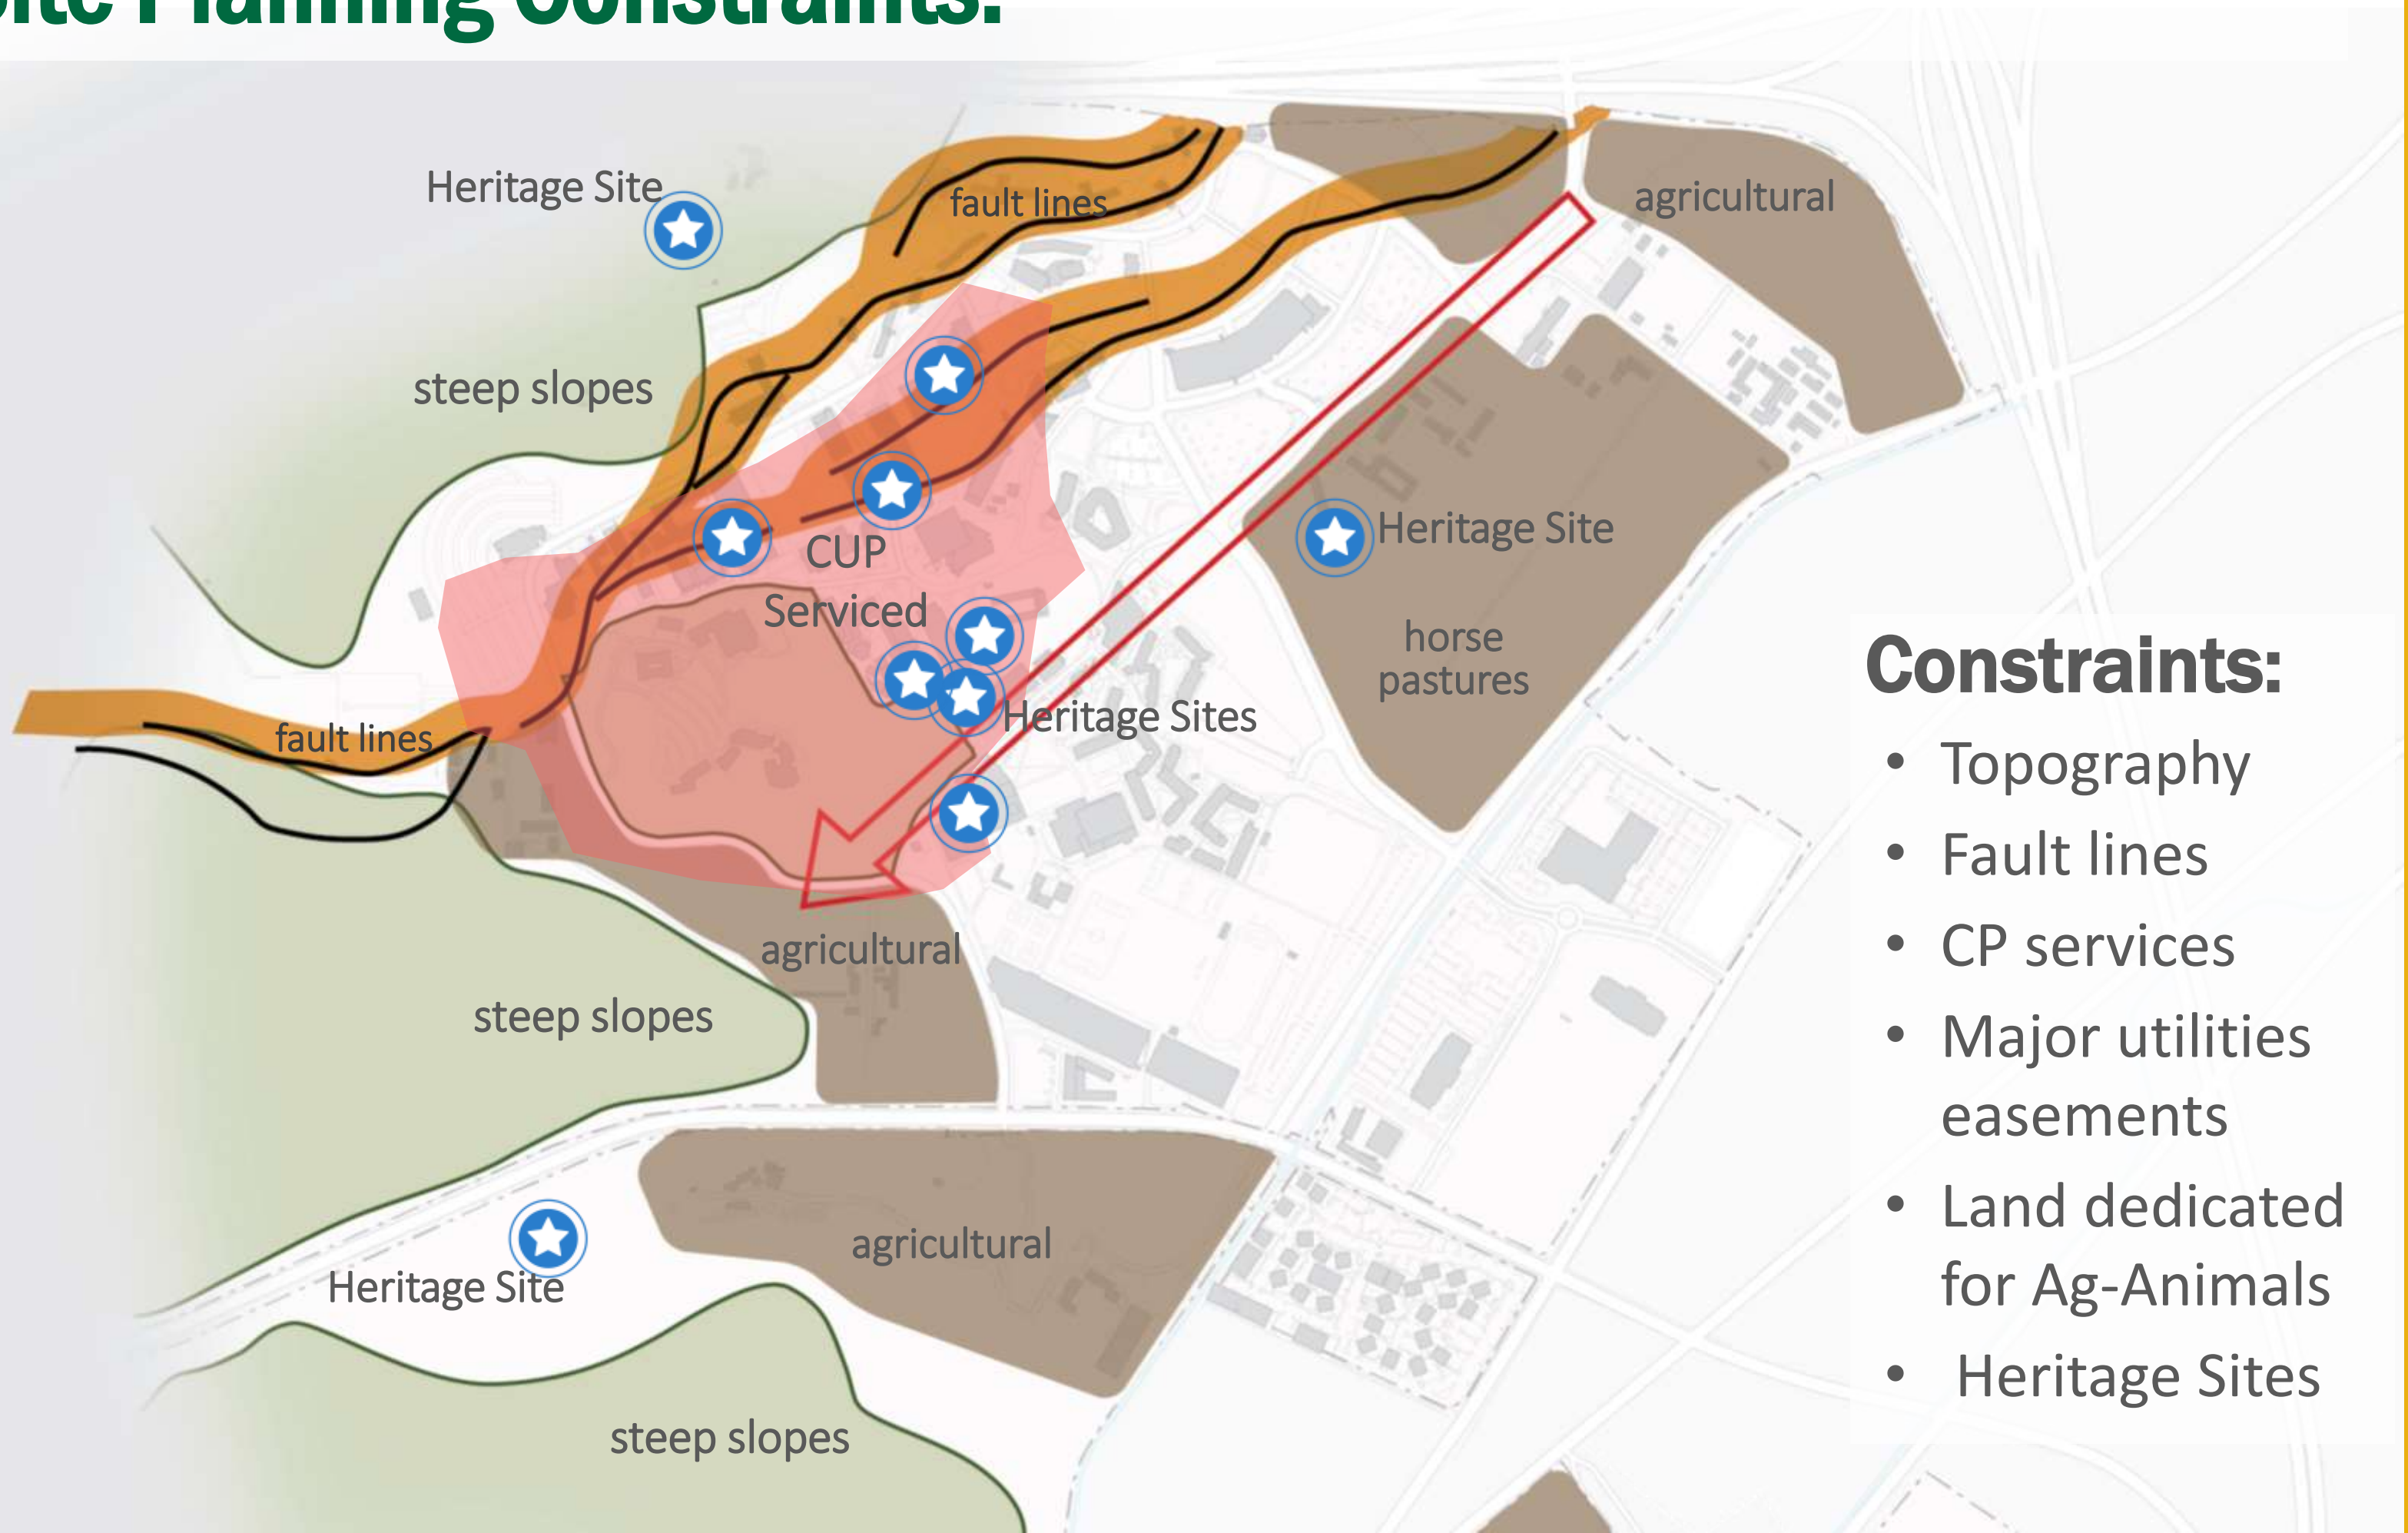

- bike lanes, transit access, pedestrian safety, street crossings, sidewalks, accessibility, lighting, signage/wayfinding, drop-off areas for destinations
- pedestrian mall + University Park
- sustainability: building materials, solar shading of parking, storm water runoff (capture, recycle water)
- art, galleries, sculpture garden

### Specific Improvements

- BSS update; structural testing lab; classrooms in Bldg 2,4,7; relocate Student Health Center, Children's Center

# Site Planning Constraints:

## Constraints:

- Topography
- Fault lines
- CP services
- Major utilities easements
- Land dedicated for Ag-Animals
- Heritage Sites

# Observations:

# Landscape, Open Space

- Academic Core
- Athletics and Rec.
- Agriculture
- Reserve/Wooded

# Observations:

# Topography

↑ Crestview Guestrooms  
101 - 124 & 201 - 229  
Pool & Fitness Center  
Kellogg West Conference  
Center & Hotel Guest Parking

← Collins College of Hospitality  
Management  
The Restaurant at Kellogg  
Ranch

**Observations:**

# Historic Character, Student Culture

# 1

## Student Experience Above All

---

All decisions put the student experience at the forefront, from physical space, facilities, and accessibility (including the virtual or online environment) to Cal Poly programs and policies.

**themes**

# 2

## Polytechnic Approach

---

The campus is a laboratory which supports teaching and learning by doing, inside and outside of the traditional educational settings.

**themes**

# 3

## Connectivity is Key

---

**Connectivity is key to orientation/wayfinding and ease of circulation for a safe, inclusive and universally accessible campus.**

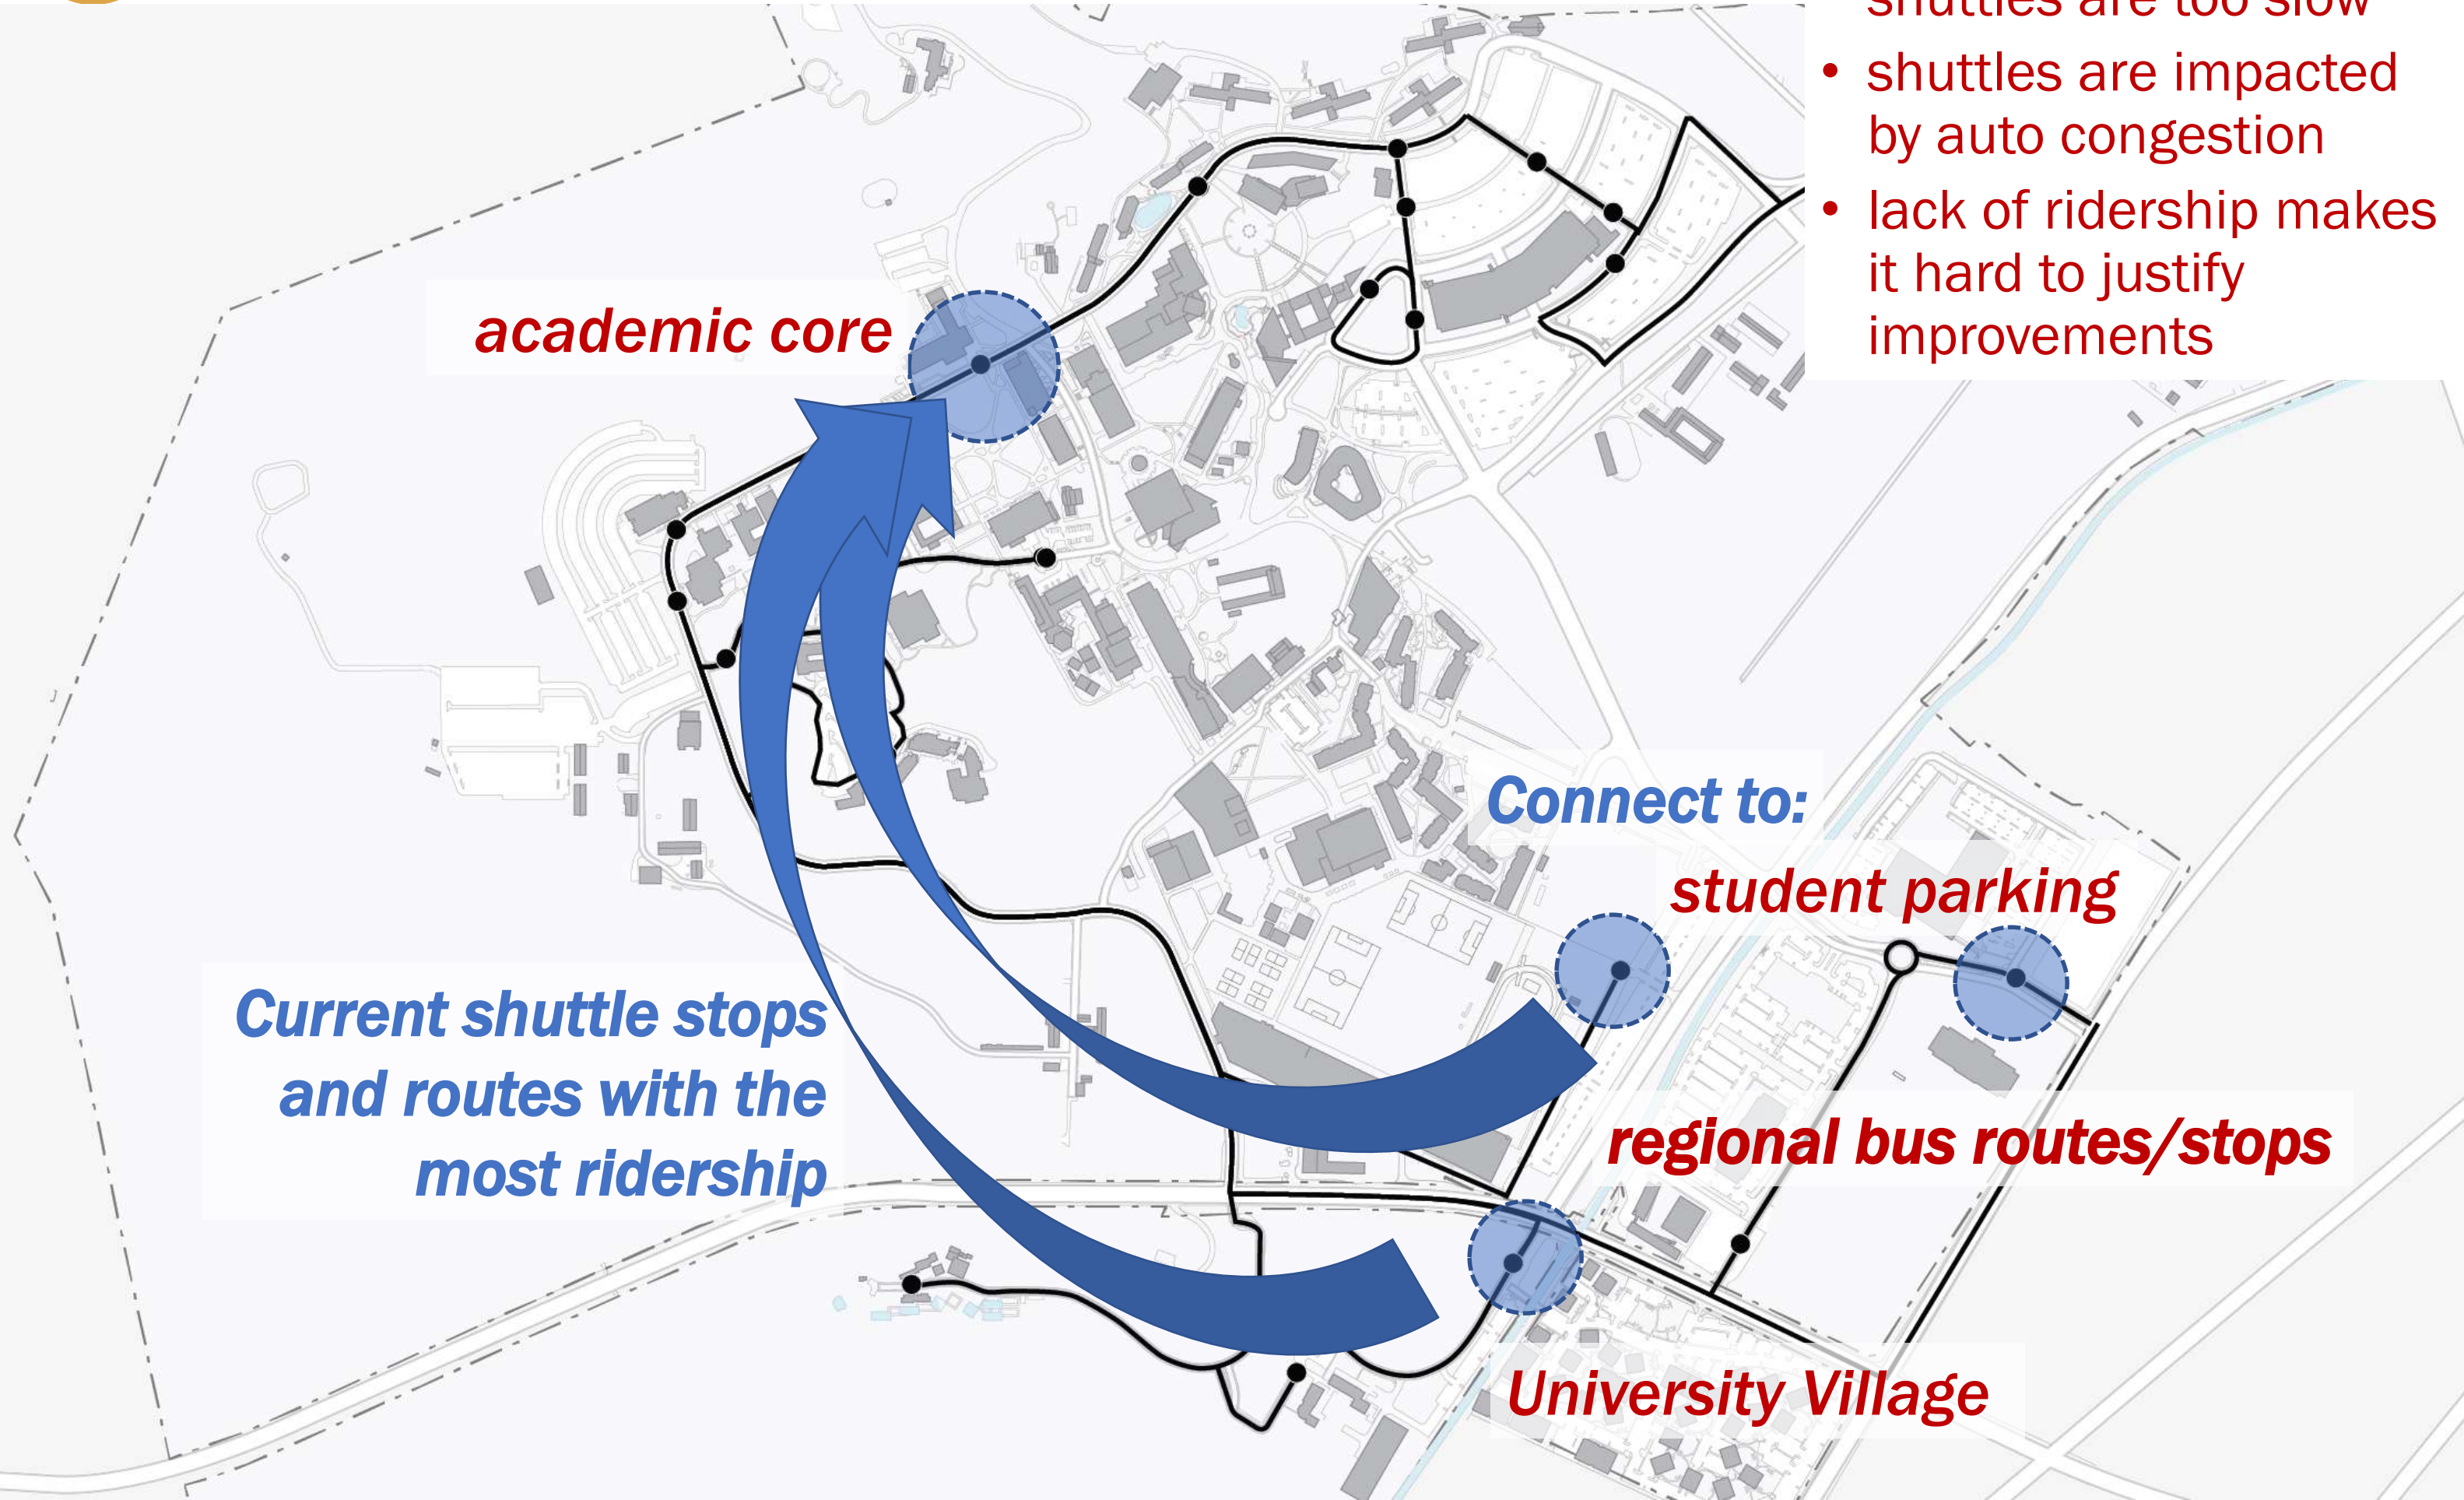

**themes**

# Campus Transit

- low ridership because shuttles are too slow
- shuttles are impacted by auto congestion
- lack of ridership makes it hard to justify improvements

*academic core*

*Current shuttle stops and routes with the most ridership*

*Connect to:*

*student parking*

*regional bus routes/stops*

*University Village*

# 4

## Pedestrian Campus in a Commuter Reality

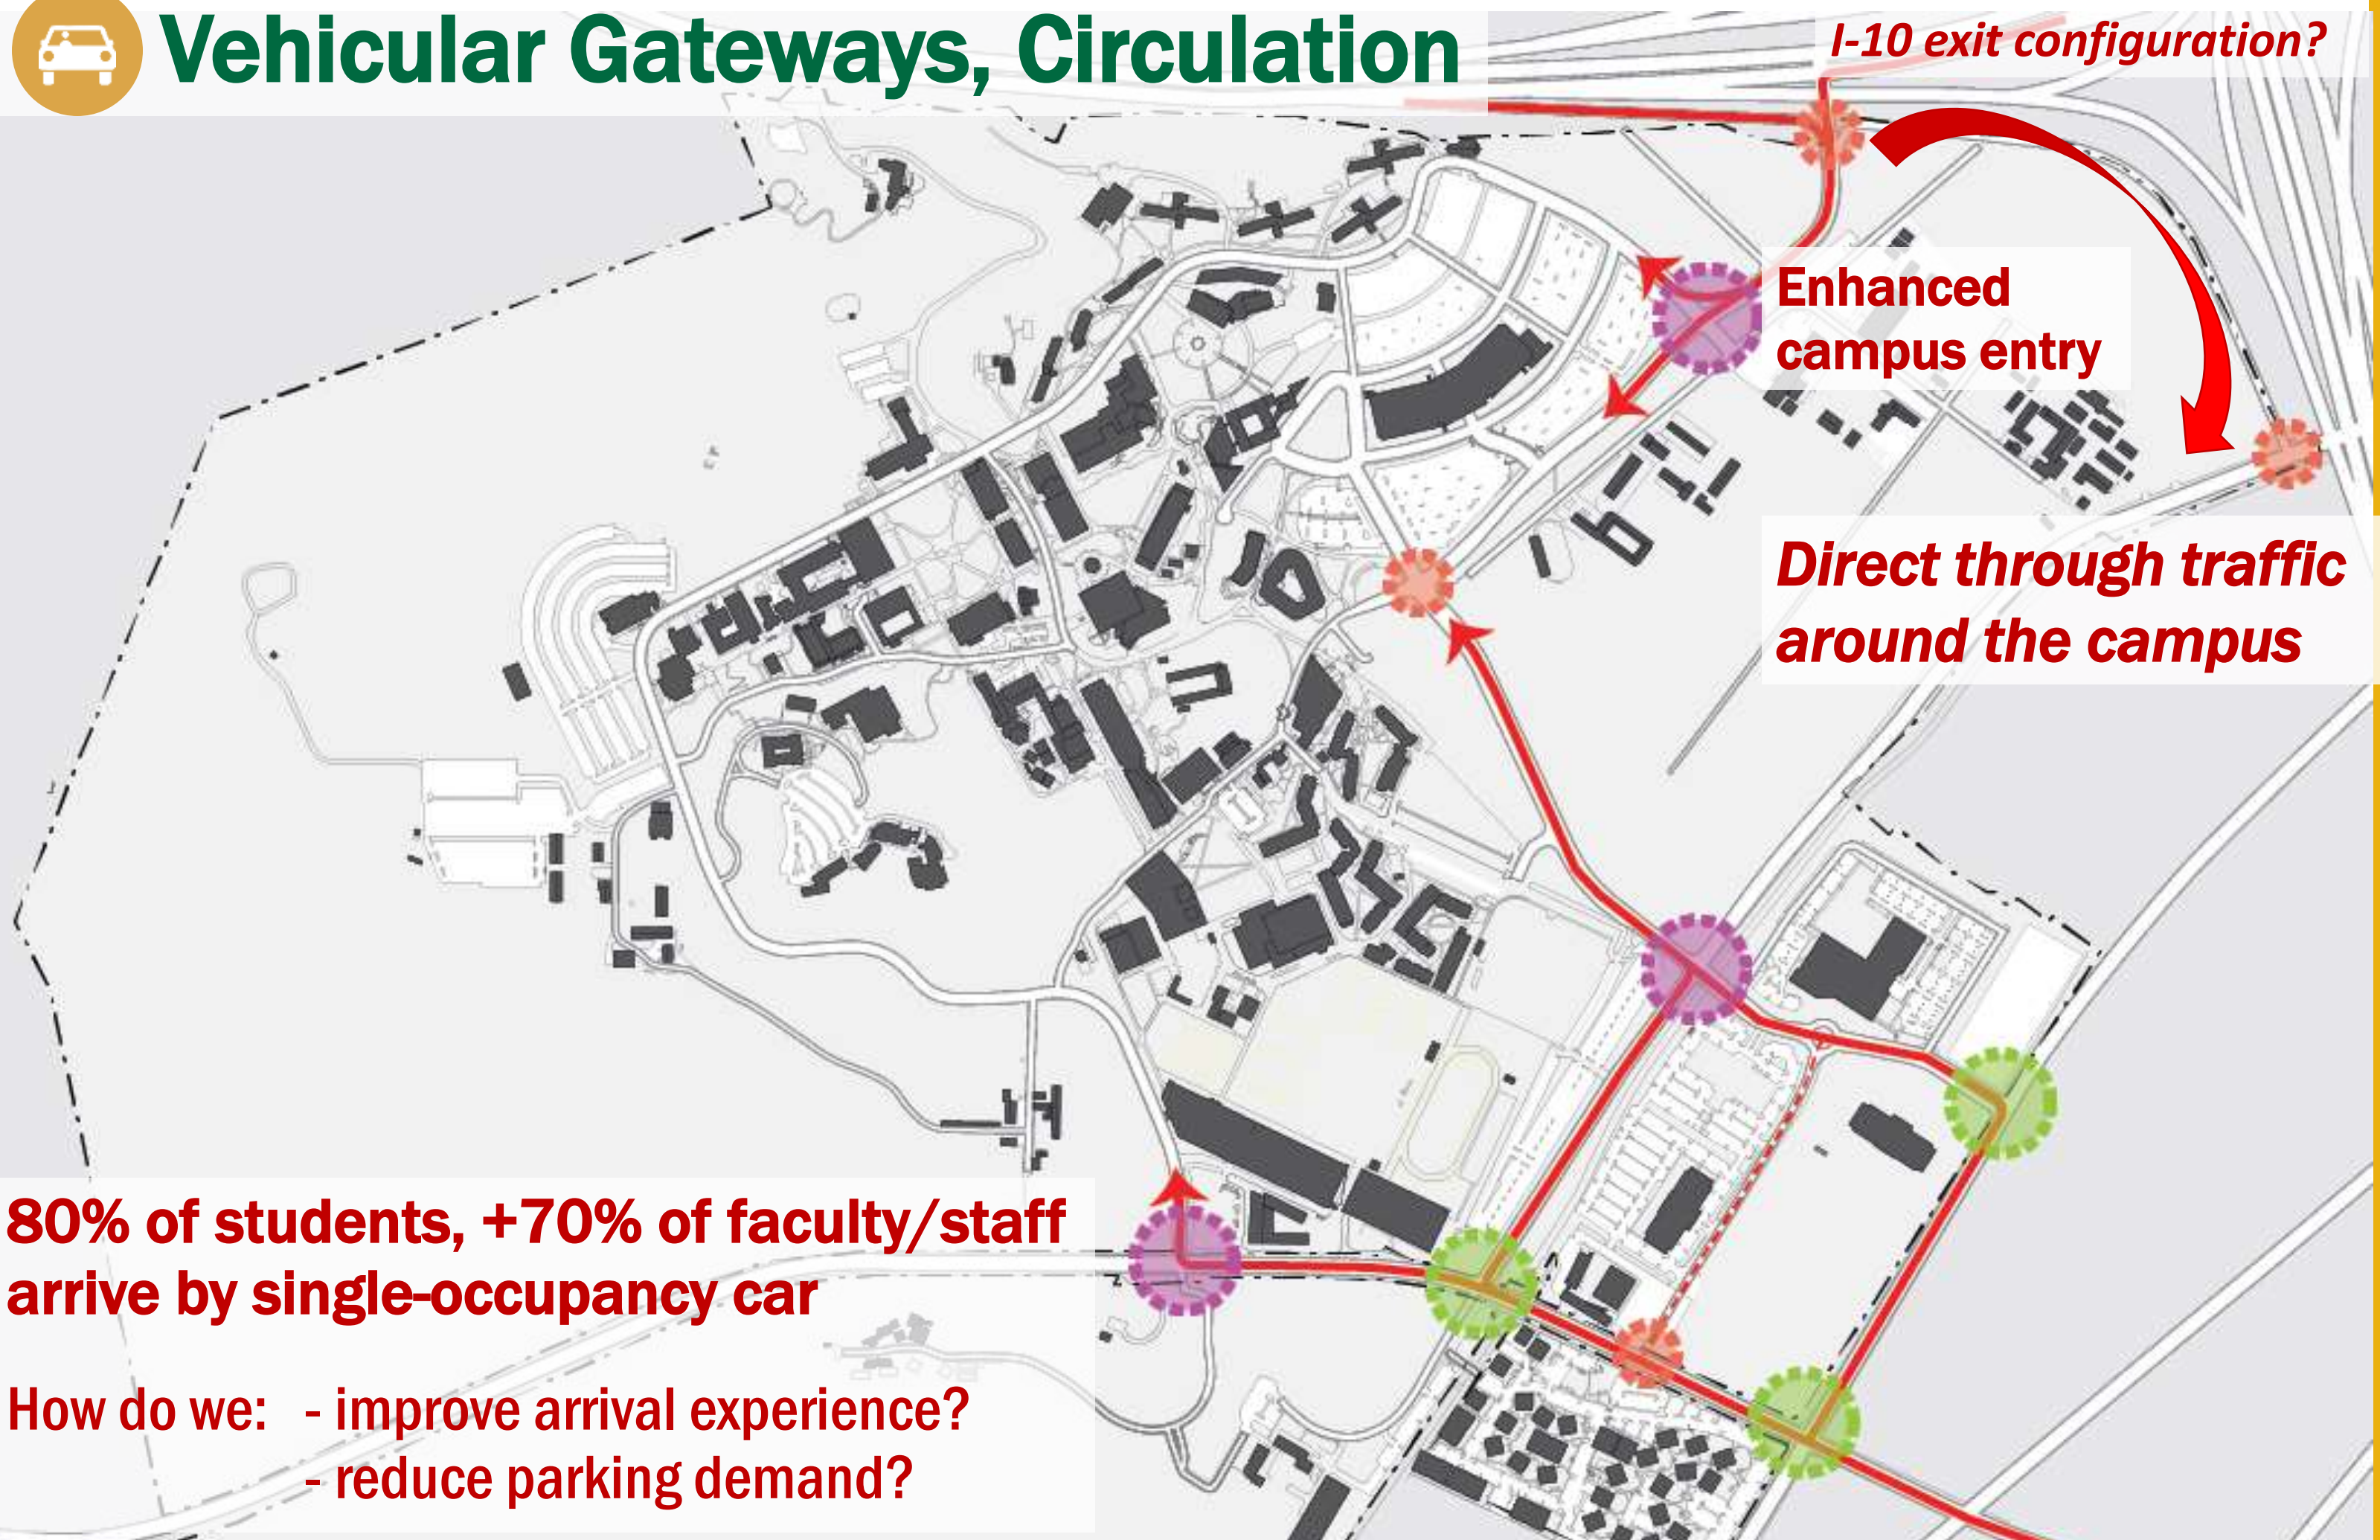

---

**Campus has to be safe and accessible (by multiple modes of transportation), and walkable / bikeable for all students (whether commuting or living on or near campus) as well as for faculty, staff and visitors.**

**themes**

# Vehicular Gateways, Circulation

*I-10 exit configuration?*

**Enhanced campus entry**

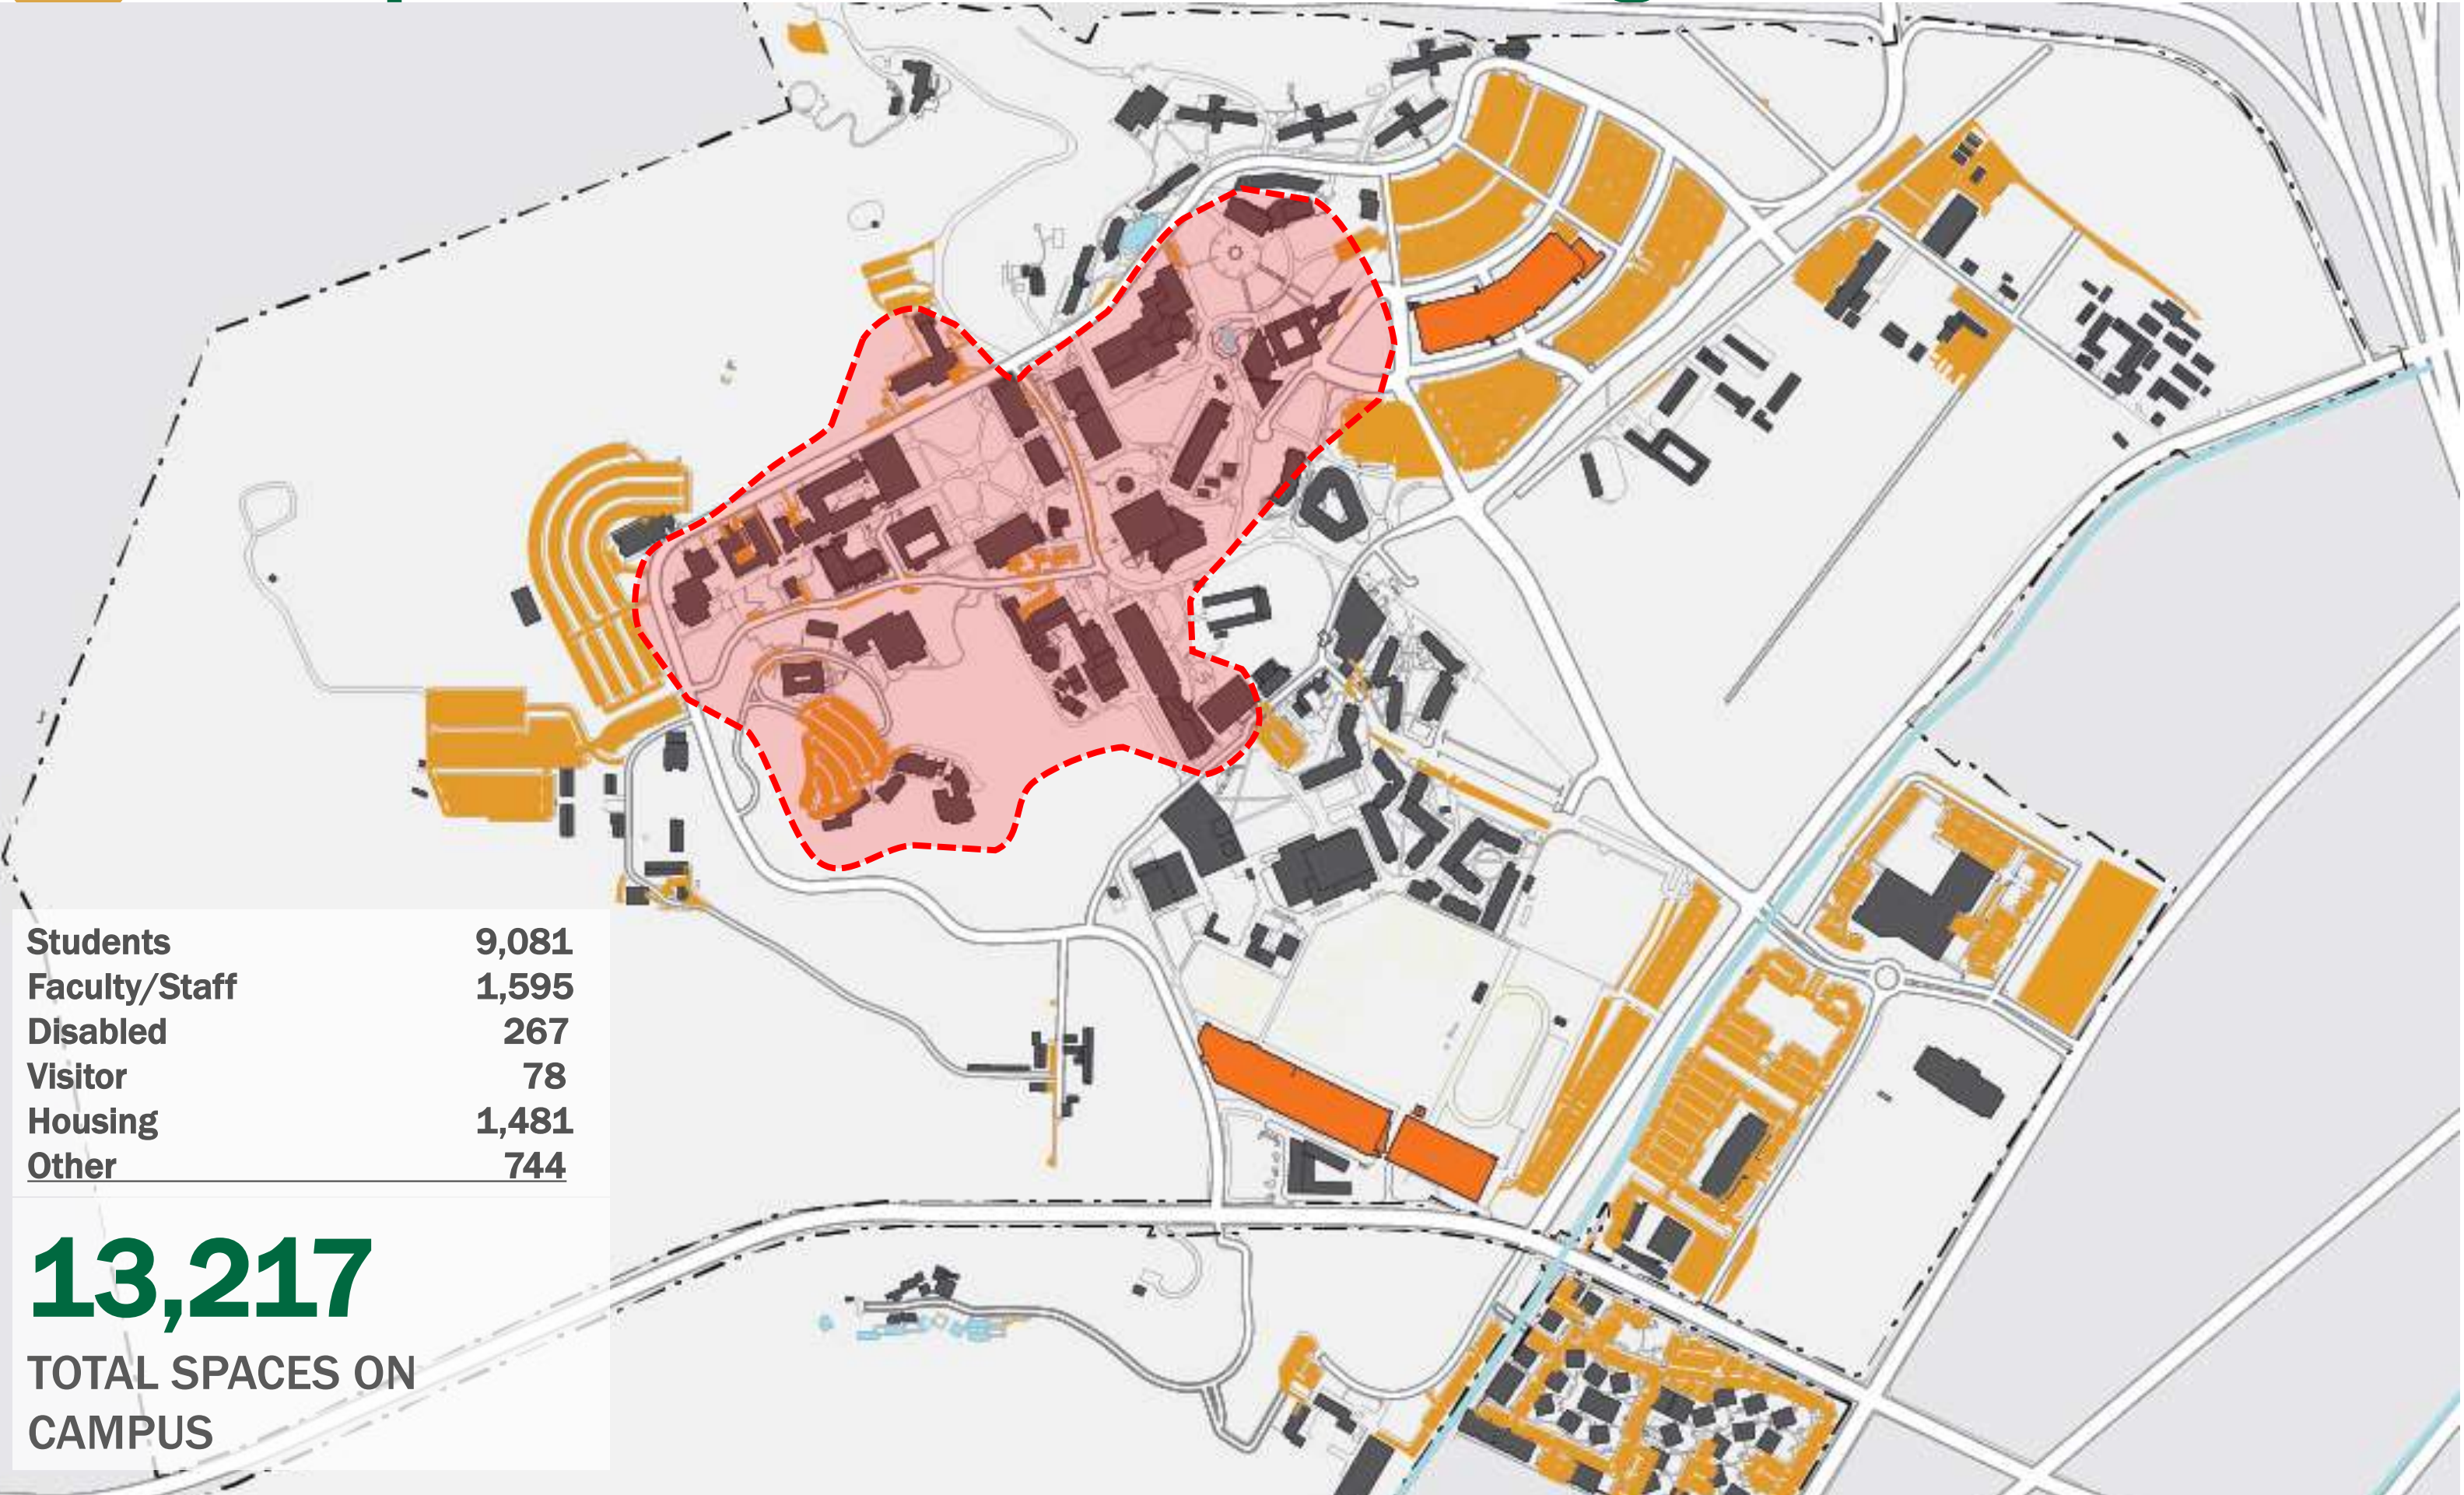

**Direct through traffic around the campus**

**80% of students, +70% of faculty/staff arrive by single-occupancy car**

**How do we:**  
- improve arrival experience?  
- reduce parking demand?

# Campus Wide Land Use – Parking Distribution

Students	9,081
Faculty/Staff	1,595
Disabled	267
Visitor	78
Housing	1,481
Other	744

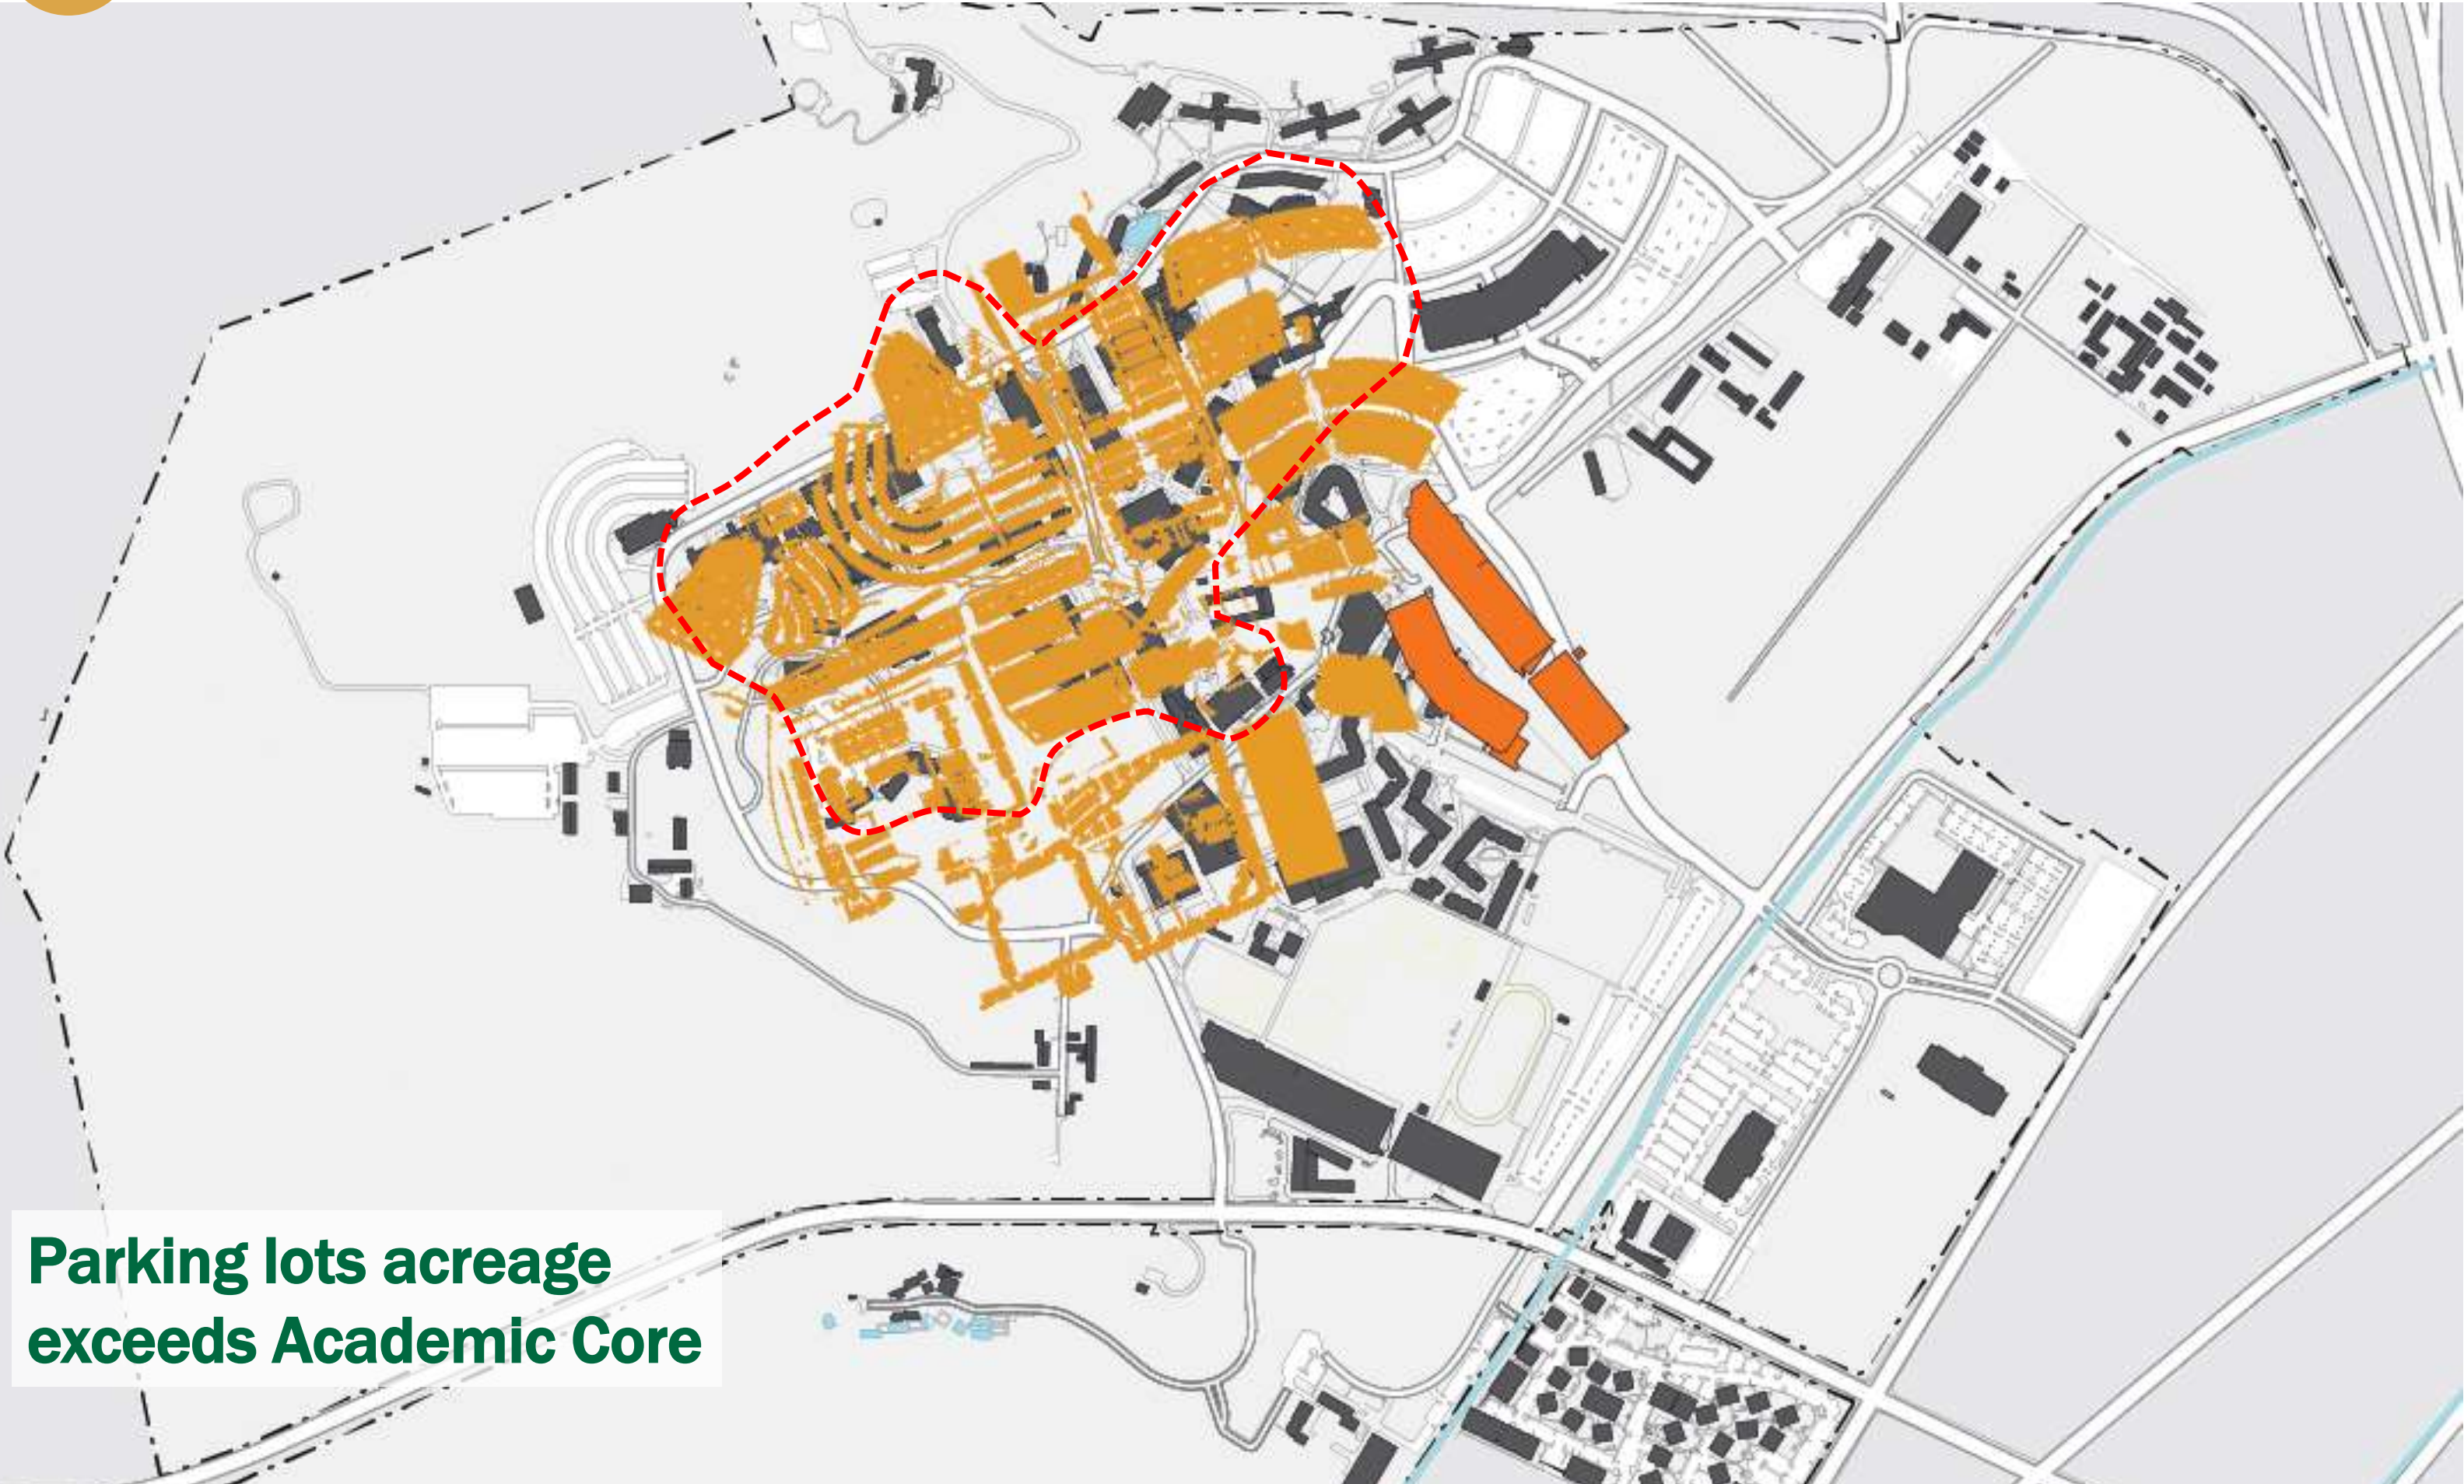

**13,217**

TOTAL SPACES ON CAMPUS

# Parking Aggregated

**Parking lots acreage exceeds Academic Core**

# 5

## Sustainable in All Aspects

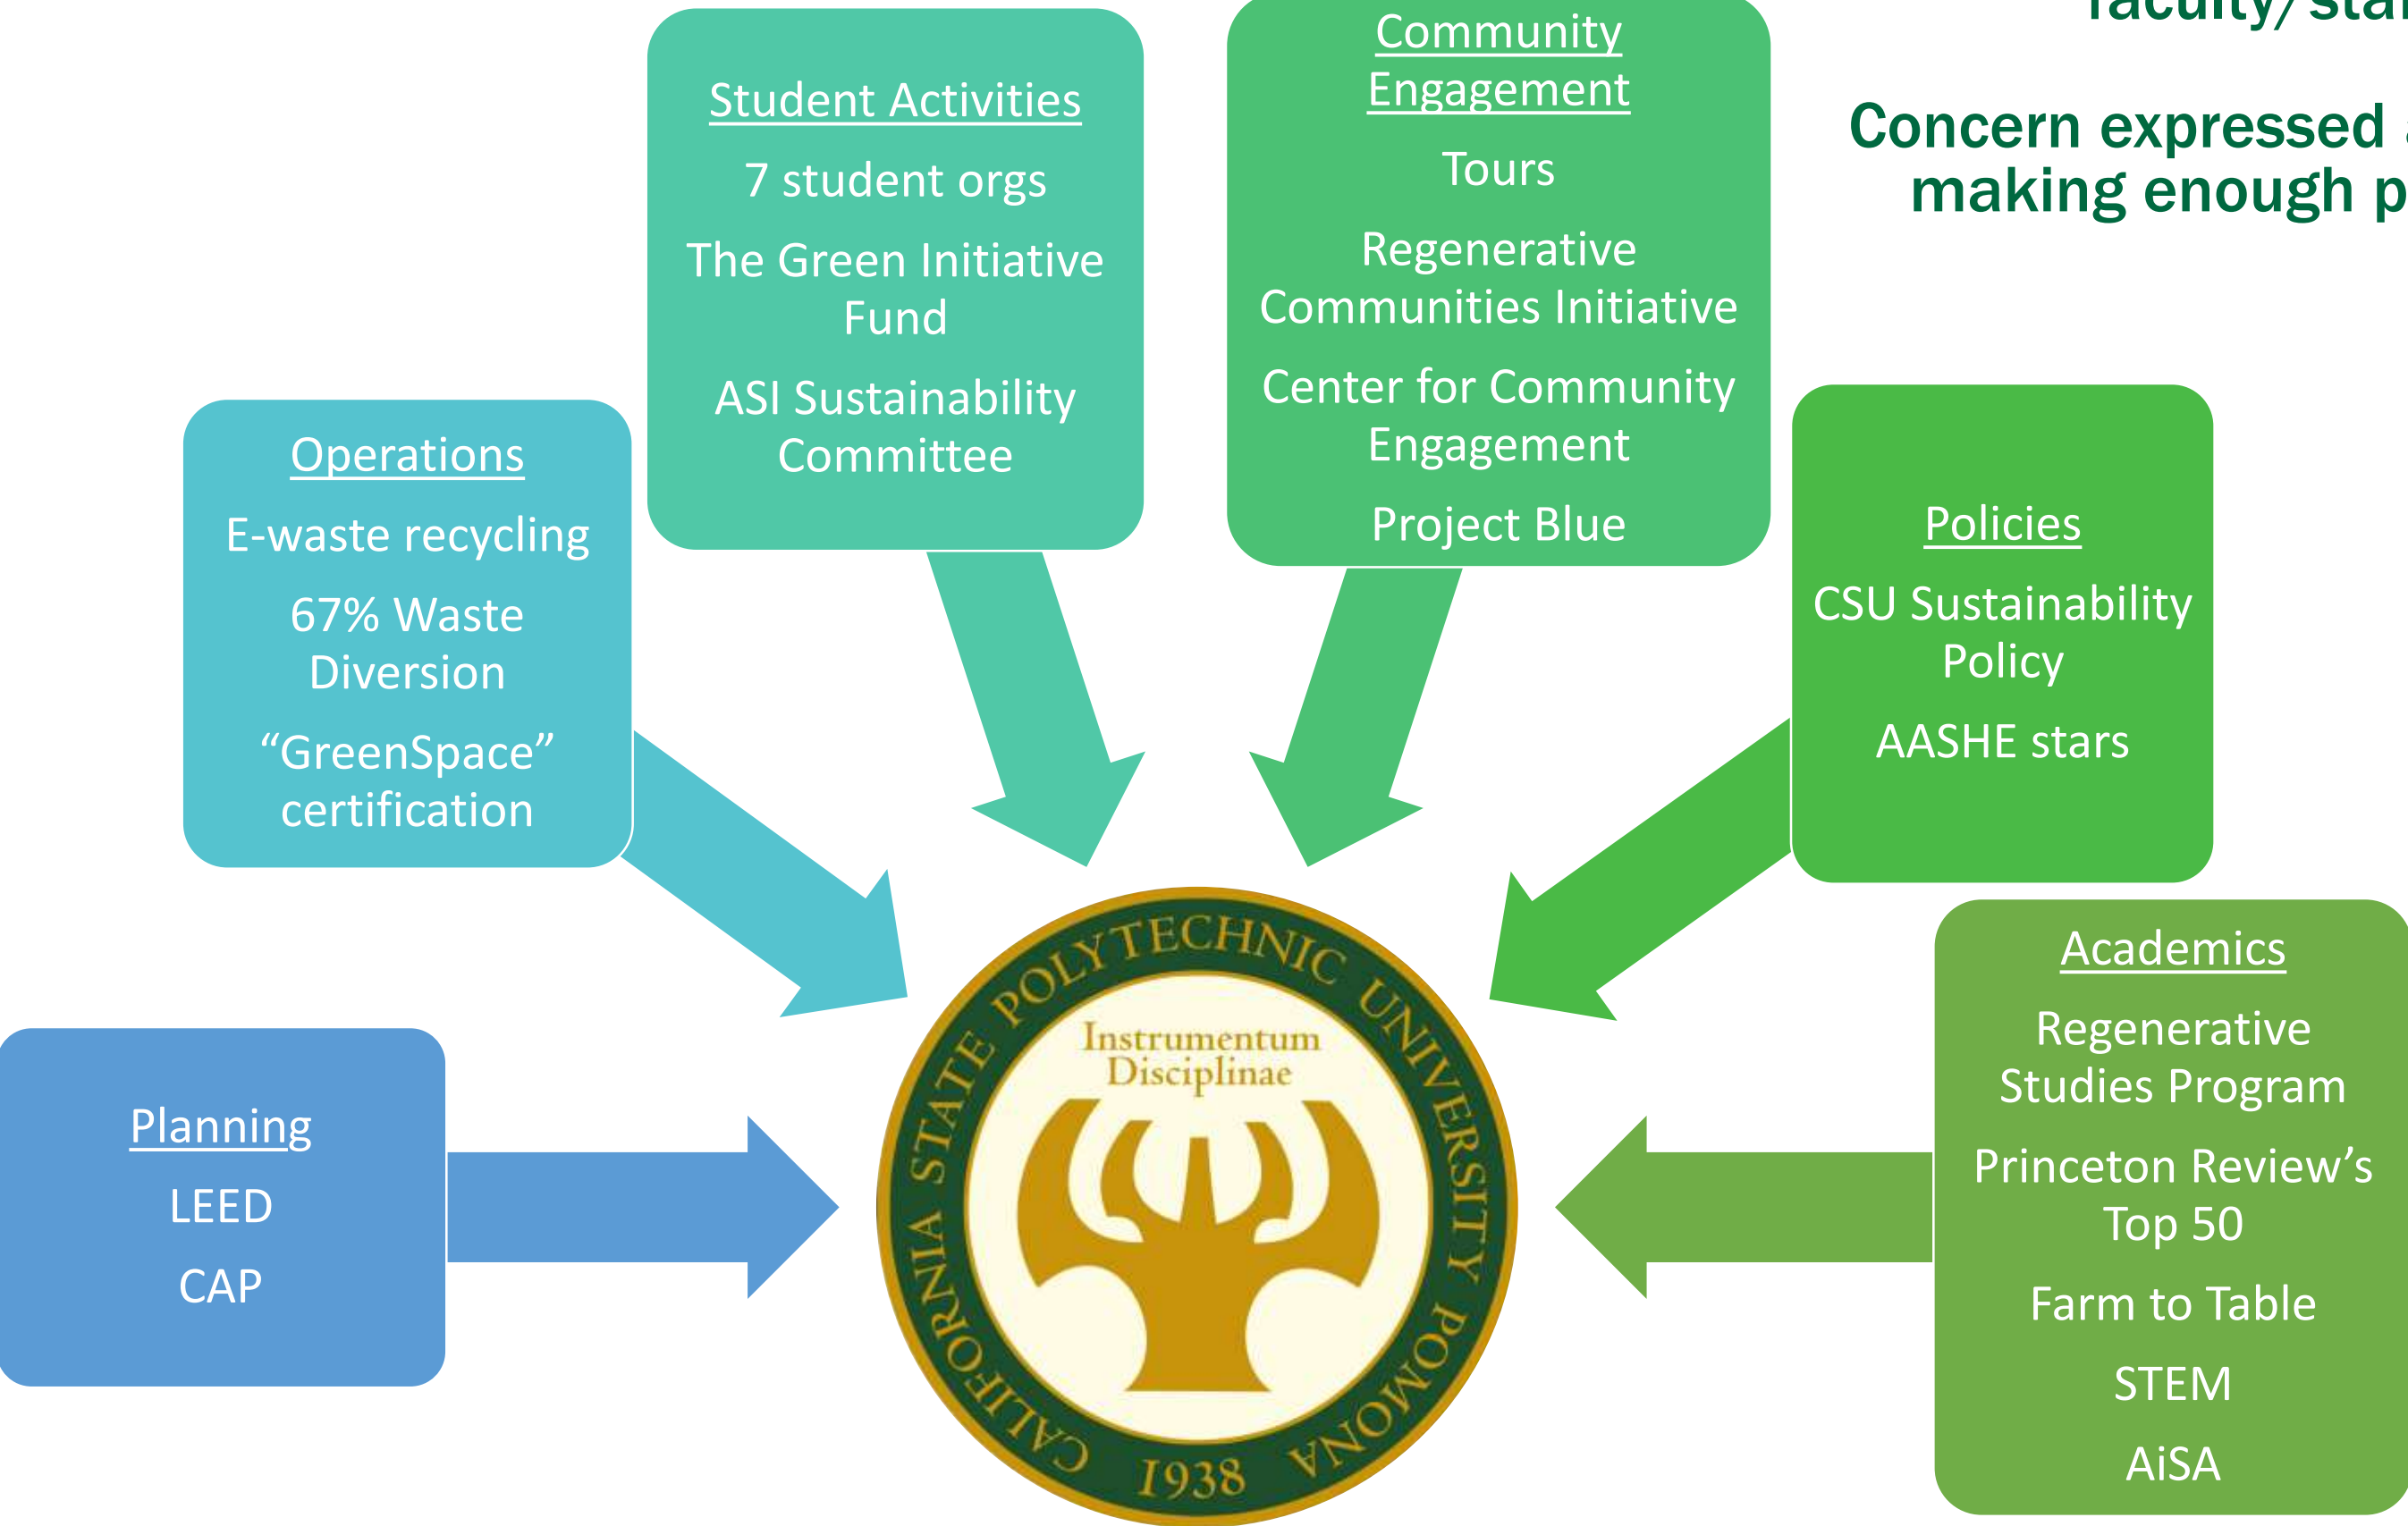

---

Decisions must be sustainable environmentally, economically, socially and consistent with Cal Poly's values, commitments and goals.

**themes**

# Sustainability – The Big Picture

# Planning Principles

**1 Start with Campus Places not Buildings**  
Focus on the space between buildings, making places for learning and engagement

**2 Make the Polytechnic Activity Visible**  
Line campus malls, walks, quads with visible, active ground floor spaces

 **3 Close the Loops, Make the Connections**  
Support intuitive, convenient connectivity, within campus and to regional routes

**4 Shift the Center**  
Focus organization, activity and circulation around the new center of the campus

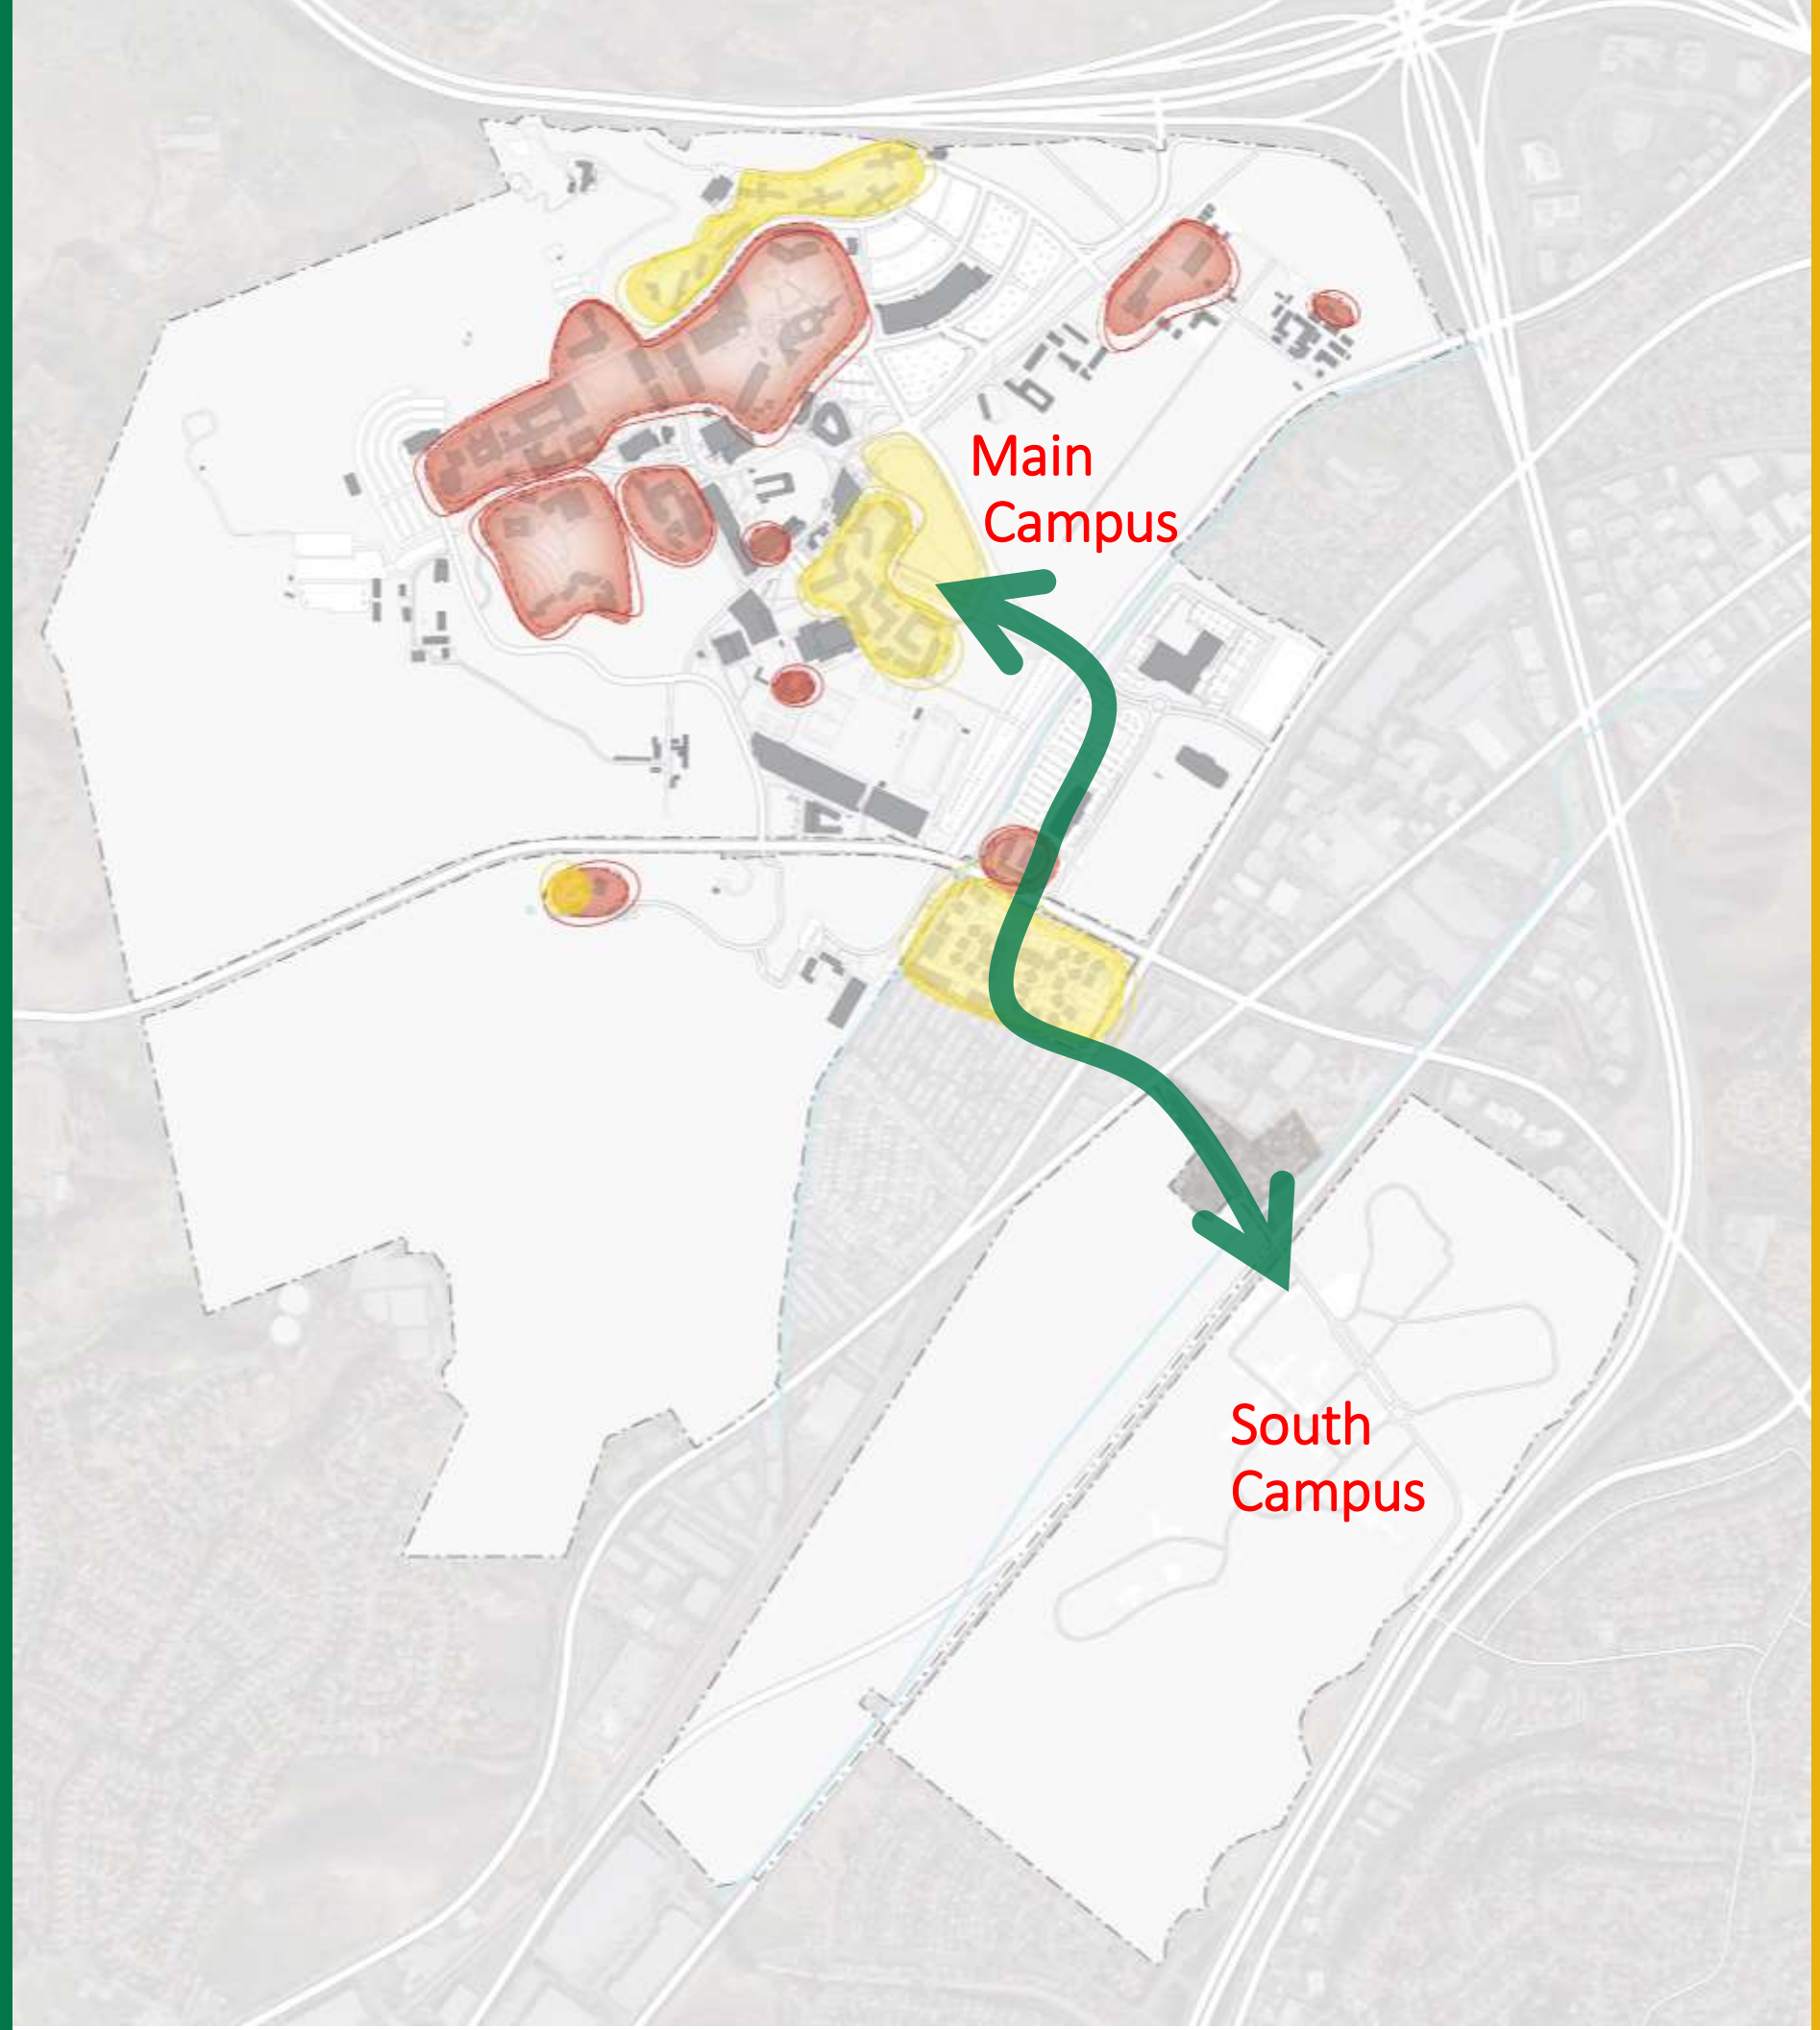

**5 Transform Academic Neighborhoods into Hubs**  
Organize areas of focus with strong anchors + interdisciplinary hubs + commons

 **6 Expand the Plan**  
Include all Campus Assets (*South Campus, Innovation Village, University Village, etc.*)

# 6

## Expand the Plan.

Planning for all campus systems must include all of the campus, including South Campus, Innovation Village, University Village, Spadra farms, etc.

# Discussion Q+A:

- What challenges do you think are critical to address?
- What opportunities do you see?
- Is there a concern critical to your community we didn't mention?

# Next Steps

- **Kick-off w/Community Partners** **June 5, 2018**
- **Potential Meetings / Focus Sessions** *June – August*
  - Transit connections (*local, regional*)
  - I-10 exit/entrance (*directing through traffic around the campus*)
  - Pedestrian/bike infrastructure (*street crossings, regional path connections?*)
  - Storm water management
  - City, State, Federal elected representatives (*informational meetings*)
- **Community Open Listening Session** *date TBD in Sept-Oct-Nov*

CPP Schedule: *graduation June 8-10; June 18 Summer classes begin; Aug 23 Fall classes begin*

**Thank you!**
