Cal Poly Pomona Operating Hours

No one shall enter or otherwise remain on University Property between the hours of 8:00 p.m. and 8:00 a.m., or at such other times as published or posted by university housing and residential programs, and other similarly specialized University programs. This prohibition shall not apply to persons possessing valid written authorization from a University official, persons on legitimate University related business, or persons attending a specific University sponsored event. Those persons with legitimate University business reasons, valid written authorization, or attending a University sponsored event, shall be allowed to remain and access University Property as allowed in their authorization or through the duration of the specific event, after which time they shall leave University Property without any appreciable delay. This prohibition shall not apply to persons transiting on a roadway or path designated as open to the public.

Campus Time, Place and Manner Regulations

For purposes of this Addendum the following terms shall apply, as set forth in the CSU’s Systemwide Time, Place and Manner Policy:

A. Public Areas

Public Area is University Property that is available for public assembly, marches, demonstrations, protests and debate. Right of access and equality of access are provided in these areas, so long as

activities are lawful and do not disrupt University operations. Content-based restrictions are prohibited, but reasonable time, place and manner regulations will be applied. Spontaneous activities may take place in Public Areas without pre-scheduling or reservations.

B. Limited Areas

A Limited Area is University Property available to the public but due to business operations, safety concerns, or other important University interests, is not open for assembling, marching, demonstrating or protesting. Activities in these areas may require scheduling and reservations with the University, and are available on a limited basis, subject to campus regulations that are narrowly tailored to address the University's legitimate business interests.

Access to and use of *certain* designated University Property must be scheduled and registered in advance, as noted in the list of University Property set forth below. Certain uses of University Property may be subject to fees, require liability insurance, and/or an indemnity agreement which must be provided by those who seek to engage in such uses. All users assume responsibility for all damage they cause to University Property. Failure to pay for damage to University Property may jeopardize future access to and/or use of University Property and can result in discipline for Students and Employees who are responsible for the damage, as well as civil or criminal action.

C. Non-Public Areas

Except for areas designated as Public Areas and Limited Areas, all remaining University Property, including the interiors of all buildings and facilities are Non-Public Areas. These areas are not open to the public and the University can restrict access to Non-Public Areas on a Content and Viewpoint Neutral basis.

If there is a university location not listed below, please contact the University administrator responsible for implementing this Addendum.

The Division of Student Affairs maintains administrative responsibility for all posting and chalking on campus.

CHALKING

A. Time: Daily, 8 a.m. to 8 p.m., except for current Cal Poly Pomona registered students, RSOs, staff, and faculty who may chalk at any time in conformity with this policy.

B. Place:

a. Chalking is permitted only on flat, horizontal, exterior surfaces, such as sidewalks and plazas. Chalking must be located at least 20 feet away from building entrances and may not be located under an overhang, canopy, or other cover.

b. Chalking is prohibited in all other locations, including but not limited to: stairs, structures, buildings, walls, fences, gates, steps, windows, posts, lawn areas, railings, trees, signs, traffic control signs, vehicular roadways, bike lanes, utility poles, construction fences, vehicles, in planted garden areas or flowerbeds, newspaper racks, campus directories, within ponds or fountains, or on trash or recycle bins.

C. Manner: The form of chalk must be washable with water. Spray chalk is NOT allowed. Requests to chalk must conform to the following procedures:

a. A request to chalk, including date(s), location, the name of the responsible individual(s) or organization(s) and a commitment to clean and remove the chalking (following university guidelines) must be submitted to The Bronco Leadership Center (leadership@cpp.edu) at least two weeks prior to the date requested.

b. Those who chalk, like those who post temporary signage, shall identify the organization(s), group(s) or individual(s) responsible for the chalking on the chalk-marked sign. Message content will not be considered in University or ASI reviews of requests to chalk.

c. Chalking must not unreasonably interfere with pedestrian traffic. A five-day maximum duration must be observed. Removal must be scheduled to avoid disruption of campus activities.

d. Should the responsible individual/organization chalk without permission or fail to adhere to the written removal plan, cleanup may be performed by the University and charged to sponsor(s).

POSTING AND SIGNAGE

A. Time: Daily, 8 a.m. to 8 p.m. Except for current Cal Poly Pomona registered students, RSOs, staff and faculty, who may distribute at any time in conformity with this policy.

B. Place:

a. General Use Public Bulletin Boards – Posting is permitted on any “General Use Public Bulletin Board.” Such boards are located in the hallways and public areas of most campus buildings. Check with the appropriate Dean’s office, department or division for questions on posting procedures and locations of general use public bulletin boards. General use public bulletin boards will be completely cleared off once a quarter. Posters and signs must not exceed 11”x17” and only one poster or sign per group or individual may be placed on any one general use public bulletin board. Material may not overlap other posters and signs, and must be fastened with tacks or staples – NO TAPE may be used.

b. Staked temporary signs are not to exceed 8.5”x11” and may be placed on surveying stakes, not to exceed 36” in height. Staked temporary signs are to be placed in shrub areas. They are not allowed to be placed on lawn areas. Violations will result in the removal and disposal of the signs without notification.

c. Signs, posters and flyers may not be wrapped around or attached to trees or any campus structures without prior written approval by The Bronco Leadership Center (leadership@cpp.edu).

d. Posters and signage may not be placed on the outside of buildings (walls, doors, windows, roofs or steps) or on interior doors, windows, walls, floors or ceilings. Posters and signage may not be placed on trees, utility poles, traffic control signs, trashcans, fences, in planted garden areas or flowerbeds, non-general/non-public use bulletin boards, newspaper racks or hillsides. Posters and signage may not obstruct the entrances or exits of buildings or the line of vision to vehicular or pedestrian traffic. Posting of signage on vehicles without the owner’s permission is not permitted. No posting is permitted on campus directories, within ponds or fountains, trash or recycle bins. Signs of any nature on any classroom chalkboard, bulletin board, dry-erase board, or any other surface are prohibited and violate this policy.

e. A Frames (or Sandwich Boards) maximum size is 4’x4’; A frames may not be placed on lawns or shrub areas; may not restrict access to sidewalks or building entrances; and signs may not be locked to buildings, handrails, or other fixtures or structures.

f. Banners (not to exceed 3’x6’) will require a Service Request submitted no less than two weeks in advance to Facilities, Planning, and Management (fmcustomer@cpp.edu). The Bronco Leadership Center (leadership@cpp.edu) will approve all banners.

B. Manner: Signage (signs, posters, and flyers) may be posted on campus, subject to the following guidelines and limitations.

a. Temporary signage shall clearly identify the date of posting. To aid the University in maintaining an uncluttered and attractive campus, the organization or persons responsible for the posting of the signage shall identify themselves and provide contact information on the signage.

b. All posters, flyers, A Frames boards, and signs must include the name(s) of the organization or persons responsible for the posting and their contact information. All posters, flyers and signs without this information will be removed.

- c. The organization or person responsible for placing signage shall be responsible for its removal no more than two weeks after its posting or, if it is advertising an event, when the event is over. In order to ensure maintenance of an uncluttered, attractive and safe campus, the University otherwise reserves the right to remove signage (non-commercial and commercial) if it is not in compliance with University policy, if it has been posted for more than two weeks, or if the event it advertises has taken place, whichever comes first. Signage may also be removed when damaged, displaced or weathered so that it is no longer legible. Organizations or persons who fail to remove signage in a timely manner may be held responsible for the cost of its removal.
- d. Staked temporary signs may not advertise for longer than one week. Both stakes and signs must clearly identify the name of the organization sponsoring the activity. Violations will result in the removal and disposal of the signs without notification.
- e. A frames boards for Rush Week and ASI Elections must be registered following University Scheduling protocols. No A Frames boards may be displayed longer than 7 days and must be picked up within one day after the related event ends. A Frames boards must be maintained in good working condition by sponsoring group.
- f. All A Frame boards must be registered following University Scheduling protocols. Maximum time limit for display is one semester and signs must be maintained in good working condition by sponsoring group.
- g. Posting of signage is subject to the following additional location-specific guidelines:
- h. Residence Halls and Grounds – permission is granted consistent with on-campus Housing policies.
- i. Library, inside bulletin boards – Dean of Library Services’ approval needed, following review for compliance with Library policy.
- j. University Union – permission granted consistent with University Union Facilities policies.
- k. Employee Relations Bulletin Boards in Various Buildings – As agreed through collective bargaining agreements.
- l. Placement of signage is subject to review by Facilities, Planning and Management (fncustomer@cpp.edu) or The Bronco Leadership Center (leadership@cpp.edu) for interference with or disruption of university operations, and safety regarding size, format and placement.
 - A. Flying of Unmanned Aircraft System (UAS) (also known as a drone) from, on or around University Property without the express written approval of the University. Permission granted by Joe Encarnacion, Risk Management, encarnacion2@cpp.edu.
 - B. Use of University Property for commercial purposes unless prior written permission has been obtained from the University. Permission granted by Katelyn Wong, License of Facilities, lof@cpp.edu.
 - C. Use of University Flagpoles. University Flagpoles are reserved for official University use only. Flags flown on outdoor, permanently installed flagpoles located on University Property serve as a means of expression of the University’s official sentiments as determined by the University President or the Chancellor, as applicable. They are not a forum for free expression or expressive conduct by members of the University community or the public.
