

## Why is this Requisite Error Appearing?

Requisite Problem	Explanation	Possible Resolution
<b>NOT MET</b>	Only the course(s) listed as a prerequisite(s) will satisfy. A course substituted for the prerequisite may not be recognized when attempting to add a class.	<ul style="list-style-type: none"> <li>• Complete prerequisite</li> <li>• See advisor and determine if what you would like to enroll in is appropriate</li> <li>• Request requisite permission number from department</li> </ul>
<b>COURSE AND COREQUISITE NOT ENROLLED SIMULTANEOUSLY</b>	Must enroll in corequisites simultaneously. In order to add a course, both the course and its corequisite must be open and enrolled in – waitlisting a corequisite <u>is not</u> considered enrollment in the corequisite. A course substituted for a corequisite may not be recognized when attempting to add a class.	<ul style="list-style-type: none"> <li>• Register in corequisite</li> <li>• Wait for corequisite to open</li> <li>• Request requisite permission number from department</li> <li>• See advisor to find another class to enroll in</li> </ul>
<b>COURSE AND COREQUISITE EXCEED UNITS ALLOWED</b>	If when enrolling or adding a course and its corequisite the total number of enrolled units exceeds the student's unit limit, then a requisite error will appear.	<ul style="list-style-type: none"> <li>• <b>Prior to Add/Drop period:</b> Either wait until the Add/Drop period, or an appointment period that will allow the excess units, or drop course(s) to accommodate the corequisites</li> <li>• <b>During Add/Drop period:</b> Add to the unit limit, or request to exceed the unit limit by petition available at the Registrar's Office</li> </ul>
<b>COURSE OR COREQUISITE CONFLICT IN TIME WITH ANOTHER CLASS</b>	If the student is attempting to add a course where its corequisite conflicts in time with another course the issue, while a time conflict, will appear in the error message to be a requisite problem as the corequisite cannot be added.	<ul style="list-style-type: none"> <li>• Add a different corequisite time that does not conflict with a registered course</li> <li>• Drop the course that is conflicting with the corequisite</li> </ul>
<b>GRADUATE STUDENT ATTEMPTING TO ENROLL</b>	If the course the graduate student is trying to enroll in has a catalog number of 499 or below (e.g. ACC 428), then a requisite hold may appear.	<ul style="list-style-type: none"> <li>• If the student's graduate advisor wants them to enroll in an undergraduate course, the student will need a permission number from the department administrator</li> </ul>
