Due July 15, 2026

Project Title:	
Application ID:	
Innovative or Modernize:	
Applicant Name:	
Email Address:	
Bronco ID Number (BIN):	
Primary College:	
Primary Department:	
Collaborators (if applicable):	
Collaborators BIN (if applicable):	
Amount Requested:	
Amount Awarded:	
Amount Used (if different from amount awarded):	

1. How did the project impact student learning outcomes? Please include a description of the assessment conducted to measure the project's impact on student learning and the results.

2. How many students did your project impact? If applicable, please include in your response the specific group of students impacted (e.g., graduating seniors, veterans, student parents, students from groups historically underrepresented in the field or the university, etc).

3. Describe how your project benefited students in ways other than specific learning outcomes, e.g., progress to graduation, enhanced employment skills or graduate school readiness.

4. Summarize how your project emphasized inclusive engagement and equity-minded strategies.

5. Total overload awarded:

6. Summarize how the overload was used ($7,464 maximum)

7. If your project offered a "PolyX" experience, please summarize the experience and how it benefited students. Also please indicate whether or not your project is in the PolyX Hub.

*Project report is required to receive future SPICE funding.
