

EOP INCOME GUIDELINES

EOP applicants should meet the low-income guidelines listed below. In most cases, EOP students will have a Student Aid Index (SAI) of \$1,500 or lower. EOP-eligible students with a SAI above \$1,500 are not eligible for the EOP Grant.

For **dependent applicants**, this contribution is based solely on parental income and does not take into account any parental assets nor does it assume any contribution from the student's income or assets. For **independent applicants**, the contribution is based strictly on income with no consideration of available savings or other assets.
